M&C Project No.

Dear Mr. Gorden,

In accordance with the requirements of the contract, bid prices submitted for this project on November 3, 2022 were required to be held for 45 days beyond this date (December 18, 2022) until contracts are finalized for the project. Due to additional contract process steps, the contract is not yet in place.

For this reason, Pintail Contracting Services, LLC voluntarily agrees to hold and extend its bid price for an additional 30 days beyond the previous extension date of March 18, 2023, in accordance with the provisions of Louisiana Revised Statutes, Title 38, Section 2215(A). This would place the new date for holding valid bid pricing as April 17, 2023. Please feel to contact our office should you have any questions.

Sincerely,
PINTAIL CONTRACTING SERVICES, LLC
