MEMORANDUM

DATE: JUNE 16, 2009

TO: MR. TERRY AUTHEMENT
COUNCIL CHAIRMAN
(COUNCILMAN-AT-LARGE, DIVISION B)

FROM: PAUL J. HOGAN, PE
COUNCILMAN, DISTRICT IV 

RE: FILE NO. 2008-0276, GRASS CUTTING REVISION

On Sunday, June 14, 2009, I sent an e-mail regarding the above referenced ordinance asking for your support or a call / e-mail with any questions or concerns you may have. This particular ordinance was simple and straight forward. Upon opening up last night's Council Meeting to Council Discussion, no members (nor anyone in attendance) addressed or mentioned any issues or concerns with the ordinance. The lack of discussion stating why this ordinance deserved to be voted down made the vote against the ordinance by you perplexing to me. It must also be perplexing to those in the audience and to those watching the Meeting to see a simple common sense ordinance being voted down following no discussion whatsoever on the ordinance.

I am willing to listen to your concerns with the ordinance and to make any modifications that are warranted, if any. I do not know how to fix it since I have no idea on why the ordinance did not get your support. You did not mention your reason for opposing the ordinance prior to or after casting your vote.

All I ask of you, and all you can expect from me, is to vote in favor of an ordinance based upon its own merits or a discussion of why it cannot be supported prior to my vote. We each owe it to the citizens who elected us to express our concerns at an open meeting where they can hear the discussion. I am of the belief that to not provide discussion, especially when opposing an ordinance, is a disservice to my constituents. But that's just me.

In closing, please e-mail or call me to let me know what the issue(s) are that you have with the ordinance so that I can modify it as needed.
