Dear Mr. Stack:

I received the Louisiana Department of Transportation and Development's response to St. Charles Parish Council's Resolution No. 5607, requesting the construction of a fly over ramp off eastbound US Hwy 90 to northbound I-310.

Please provide me with a copy of the traffic pattern information collected at this location, which shows that the engineering criteria are not met for the construction of this type of ramp, at this time. Also, provide me with the type of traffic patterns that are required at this location that would justify the construction of this ramp.

Please feel free to contact me if you should have any questions.

Sincerely,

PAUL J. HOGAN, PE

Dear Ms. Jacob-Tucker:

This is in response to St. Charles Parish Council adopted Resolution No. 5607 requesting this Department construct fly over ramp off eastbound US 90 to northbound I-310.

Current data of traffic patterns at this location do not meet the engineering criteria for the construction of this type of ramp. We will continue to monitor this and if conditions change, will peruse the construction of this ramp. Also, we plan to attempt to secure funding to construct traffic improvements that will increase the operational efficiency of this intersection.

Thank you for your interest and input.

Sincerely,

MICHAEL J. STACK, P.E., P.L.S.

INTRODUCED BY: PAUL J. HOGAN, PE, COUNCILMAN-DISTRICT IV

RESOLUTION NO. 5607

A resolution requesting the Louisiana Department of Transportation and Development to construct a fly over ramp off eastbound Highway 90 connecting to northbound I-310.

WHEREAS, east bound Highway 90 traffic travelling to northbound I-310 must currently negotiate two traffic signals near I-310 costing time and money and is an inconvenience to the travelling public; and,

WHEREAS, construction of the fly over ramp will eliminate the need for the existing traffic signal which allows the eastbound Highway 90 traffic to cross westbound Highway 90; and,

WHEREAS, the elimination of this signal on westbound Highway 90 will save motorist time and money along with eliminating an inconvenience of motorist travelling westbound on Highway 90; and,

WHEREAS, the route of the future I-49 will not utilize the area of the proposed fly over ramp as once proposed.

NOW THEREFORE, BE IT RESOLVED, THAT WE, THE MEMBERS OF THE ST. CHARLES PARISH COUNCIL, do hereby request that the Louisiana Department of Transportation and Development construct a fly over ramp off eastbound Highway 90 connecting to northbound I-310.

BE IT FURTHER RESOLVED, that a copy of this resolution be forwarded to Governor Bobby Jindal, Senator Joel T. Chaisson, II, Representative Gary L. Smith, Jr., Representative Ernest D. Wooton, Secretary William D. Ankner, Louisiana Department of Transportation and Development, and District Administrator Michael Stack, Louisiana Department of Transportation and Development.

The foregoing resolution having been submitted to a vote, the vote thereon was as follows:

YEAS: SCHEXNAYDRE, AUTHEMENT, RAYMOND, TASTET, BENEDETTO, HOGAN, COCHRAN, LAMBERT, NUSS

NAYS: NONE

ABSENT: NONE

And the resolution was declared adopted this 5th day of January, 2009, to become effective five (5) days after publication in the Official Journal.
