

CERTIFICATE OF SUBSTANTIAL COMPLETION

Owner's Project No. P970702 Engineer's Project No. 97036

Project: Paul Maillard Road Sidewalk, St. Charles Parish, Louisiana

Contractor LA Contracting Enterprises, L.L.C. Contract Date January 6, 2000

Contract For Paul Maillard Road Sidewalk, St. Charles Parish, Louisiana

Project or Specified Part Shall Include Installation of Portland cement concrete
 sidewalk and associated subsurface drainage

DEFINITION OF SUBSTANTIAL COMPLETION

The date of Substantial Completion of a Project or specified part of a Project is the date when the construction is sufficiently completed, in accordance with the Contract Documents, so that the Project or specified part of the Project can be utilized for the purpose for which it was intended.

To St. Charles Parish, Louisiana
(Owner)

And To LA Contracting Enterprises, L.L.C.
(Contractor)

Date of Substantial Completion June 8, 2000

The Work performed under this Contract has been inspected by authorized representatives of the Owner, Contractor and Engineer, and the Project (or specified part of the Project, as indicated above) is hereby declared to be substantially completed on the above date.

A tentative list of items to be completed or corrected is appended hereto. This list may not be exhaustive, and the failure to include an item on it does not alter the responsibility of the Contractor to complete all the Work in accordance with the Contract Documents. These items shall be completed by the Contractor within 7 days of Substantial Completion.

The date of Substantial Completion is the date upon which all guarantees and warranties begin, except as noted below.

The responsibilities between the Owner and the Contractor for maintenance, heat and utilities shall be as set forth below.

THE FOLLOWING WAS NOTED:

A final walk thru for the referenced project was conducted this morning. The following items need to be addressed by the Contractor -

1. Replace handicap ramp at Angus Street.
2. Remove one panel (approximately 4' x 4') sidewalk in front of the nursing home at Angus Street and Paul Maillard Road.
3. Fill and dress around Drop Inlets.
4. Install and compact a clay blanket on culvert outlets.
5. Clean all debris from drop inlets.

In general, all workmanship appeared to be satisfactory.
