Dear Mr. Henderson,

Your letter of October 29, 2007 concerning Mr. & Mrs. Leonard Baudoin's application for a home occupation. We are not able to attend the meeting concerning this matter. However, we do not have any objections to our neighbor's application for the home renovations business, "LSB Home Improvements".

If there are any questions, please write or call me at 504 400-4041.

Sincerely,

Barrett "Barry" Kruebbe
