To: The Residents of St. Charles Parish and the members of the St. Charles Parish Council

In accordance with Article V, Sections B and C of the St. Charles Parish Home Rule Charter, I am pleased to submit the balanced 2017 Consolidated Operating and Capital Budget.

In 2016, my administration focused on putting all Parish funds and departments on a sustainable fiscal path capable of maintaining the infrastructure we have, upgrading and improving our wastewater network, construct a complete flood protection system, and reduce the pressure on the General Fund so that other services such as Recreation, Emergency Preparedness, and support services delivered by RSVP and the Department of Community Services can continue.

This document follows an intensive examination and review process that began in May of this year. It is a reflection of the financial plan for providing essential governmental services to the public for 2017. Our community is growing and the Parish must be able to meet the increased demand for services. Unlike a private business, St. Charles Parish has a broad range of responsibilities in providing these services. This budget covers these responsibilities and addresses the needs of the citizens of our Parish.

The priorities incorporated into this document, which are in line with the goals of the Parish Council, are as follows:

All Parish employees will work in a safe environment where each department is adequately staffed, trained, and equipped to effectively carry out their duties.

Drainage, streets, road lighting, and other infrastructure will be well maintained.

The water and sewer system will meet the environmental needs of the Parish.

The Parish's Judicial System, prison and volunteer fire departments will be adequately supported to provide a safe community for our citizens.

Parish parks will be maintained to provide recreational opportunities for our citizens and meet or exceed the national standards recommended in the Recreation Master Plan.

Development of business enterprises will be encouraged to provide economic opportunities for our citizens.

To the extent permitted by our remaining resources, quality-of-life projects will be pursued.

The Parish's technology, communications, and document retention systems will meet current technological standards and the needs of our growing network of departments, agencies and services provided to our residents.

The St. Charles Parish 2030 Comprehensive Plan will serve as a guiding document for Parish policies and priorities.

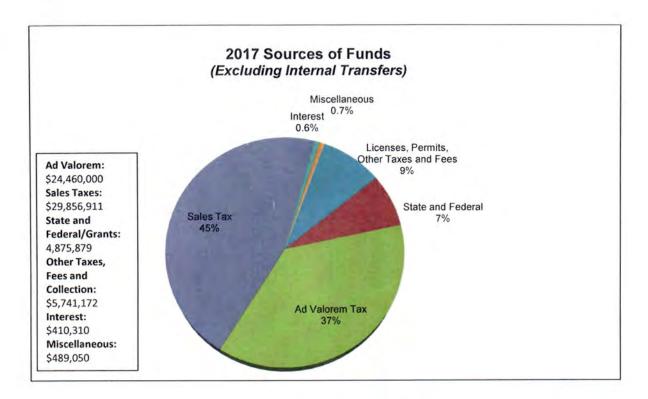

Flood and hurricane protection for the entire Parish will remain a priority to protect the lives and property of our residents.

#### BUDGET OVERVIEW & HIGHLIGHTS

The summary of the operating and capital budget for governmental funds for 2017 includes revenues and other financing sources of \$68,278,030 plus estimated fund balances carried over from 2016 (beginning fund balances) of \$41,825,875 and expenditures of \$87,033,755. The summary of operating and capital budget for proprietary funds includes revenues of \$28,843,757 cash expenses of \$23,273,923 and non-cash depreciation expenses of \$6,566,000.

#### REVENUES

Sales tax collections equal 45% of budgeted revenues, and ad valorem taxes equal 37% for governmental funds. The remaining sources of revenue for governmental funds are shown below.

User fees provide 94% of the revenues in Proprietary funds. The remaining 6% comes from Ad Valorem Tax Revenue, transfers from Bond Proceeds, Grants and interest earnings.

Ad Valorem tax revenues are expected to decrease approximately 8% in 2017. As 2016 brought about reassessment year for the Parish wherein the total Assessed Value of the Parish actually decreased, the Parish Administration, along with the Parish Council decided reduce our Ad Valorem rate to the 2016 rates for all taxing districts aside from Road Maintenance, the Levee Fund and our Recreation Department. One of my main goals when taking office was to show that the Parish Government can do more with less, and as a result we are asking the people for less tax revenue as we are only seeking the same amount of tax revenue for our critical Levee Fund, our Recreation Department and our Road Maintenance Program, while our other departments will have receive 2% less in ad valorem then in the previous year. Additionally, as a result of our 2015 Annual Financial Statement audit, since the Parish acts as a pass through for ad valorem taxes for the Council on Aging, Health Unit, ARC, as well as a pass through for ad valorem and sales taxes for the Fire Department, and the fact that these departments are audited separately and issue a separate audit report, the Parish will no longer include the associated revenues and expenditures for these districts, hence the decrease show in both total overall revenues and expenses for the current year budget.

Over the past ten years, the Parish's sales tax collections have varied by as much as 24.5% in the Parish's favor as well as 27.02% against the Parish. The volatility of sales tax collections is primarily due to the varying industrial activity in the Parish and in recent years, the current state of the United States Economy. The Parish's sales tax collection office expects a slight increase

in Sales Taxes for the 2017, a definite positive for the Parish as 2013 through 2015 were met with significant decreases.

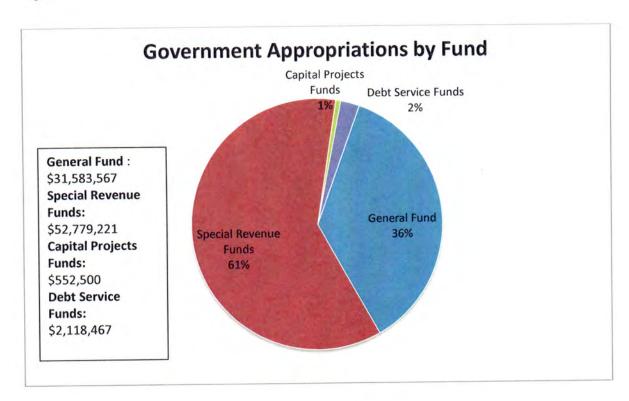

The increasing one time trends in Sales Tax revenues cannot be relied upon year in and year out, especially considering the current state of the National Economy, thus those funds are devoted to capital projects, which are generally one time in nature, versus using the additional funds for general maintenance and operation of the Parish.

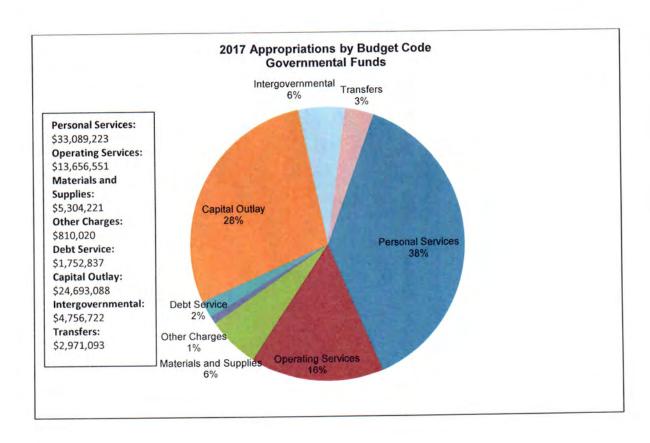

### ST CHARLES PARISH HISTORY OF SALES TAX COLLECTIONS

#### APPROPRIATIONS:

The total Governmental Fund Budget for 2017 is \$87,033,755 which is \$5,854,456 lower than that of the 2016 budget, a total decrease of 6.3%. The graphs below highlight the total operating appropriations. In the first graph, Governmental Funds are broken down by Functional Area-General Fund, Capital Projects Funds, Special Revenue Funds, and Debt Service Funds, whereas the second graph shows the division by budget code, i.e. Personnel, Operations, Capital Outlay, etc.

The primary reason for the decrease in appropriations from 2016 to 2017 is directly attributed to Intergovernmental charges. During our Annual 2015 Financial Statement Audit, our auditors suggested that the following funds: Fire Protection, Health Unit, Council on Aging, and the ARC, no longer be included in our Audit or our Budget as each of those taxing districts are audited separately and since the Parish Administration and Council has no legal authority over their spending habits, these funds are now recorded separately, and the fact that these departments are audited separately and issue a separate audit report, the Parish will no longer include the associated revenues and expenditures for these districts. In the past, these budgets were simply shown as a pass through in that we would should the ad valorem revenue collected and then that same amount being transferred to the appropriate taxing district for which those funds were collected, with the ending result being a zero impact to our overall budget. Since we are no longer including the revenues for these districts, we no longer include the Intergovernmental expense transfer, thus resulting in a lower overall Intergovernmental expenditures.

Throughout this budget message, I will make comparisons to the Parish's 2015 financial information because it is the most recent audited financial information available. Expectations of the estimated 2016 financial information, the original 2016 budget and the proposed 2017 budget are also presented herein.

#### GENERAL FUND

The actual ending 2015 General Fund balance of \$38,753,077 was \$6,123,163 lower than that of 2014. The ending fund balance for 2016 is estimated to be \$20,871,505. The 2017 budget includes \$7,974,353 of expenditures in excess of revenues budgeted which will leave an ending fund balance of approximately \$12,897,152. Included in these expenditures are transfers totaling \$1,425,140. The transfers include \$1,180,840 for Capital Projects for the Recreation Department as well as the following operating subsidies: \$185,000 for RSVP and \$59,300 for Solid Waste.

As was the case in 2016, Year 2017's budgeted revenues are not enough to cover the budgeted expenditures and will require the use of the accumulated fund balance from previous years. Nevertheless, several major projects have been announced by our local industries that are expected to result in considerable sales tax revenue increases in the budgets of 2017 and 2018 and will allow this Administration to increase fund balance in future years.

For several years, other funds have been unable to reimburse the General Fund for indirect costs because of their financial condition. In 2015, over \$2,031,514 was not reimbursed from Waterworks, Wastewater, Roads and Drainage, Recreation, and the Workforce Investment Act fund.

The General Fund is heavily dependent upon sales tax revenue as a funding source. Currently, fifty-six percent (56%) of its revenue is derived from sales tax. Sales tax

revenue can vary significantly from year to year as can be seen in the schedule above. For this reason a sufficient fund balance must be maintained in the General Fund to continue current operations during periods of economic downturn. In the best interest of the Parish, it is recommended that the General Fund' fund balance not be allowed to be reduced any further even though the Parish Council approved Ordinance No. 10-11-15 on November 22, 2010 establishing a minimum required fund balance of no less than \$7 million. In keeping the General Fund balance at \$12,897,152, it allows us adequate funding in case of an emergency such as a hurricane or man-made disaster. Also, this will be the first time in six years were the estimated remaining fund balance is not brought down to the base reserve. Since 2011, the projected ending General Fund balance for the General Fund has been projected to end just above \$7 million, with the highest balance being \$7.4 million. As I have stated numerous times, one of the primary goals of my administration is to restore the balance of the General Fund to a level well above the council ordained base minimum. With everything that has been happening on the state level, the threat of losing the crucial inventory tax, and the possibility of a devastating hurricane impacting our great Parish, my administration will strive to keep this balance as high as possible and only utilize it for projects that will protect the great residents of St. Charles Parish and provide a better quality of life for all residents of St. Charles Parish.

It should be noted that the General Fund is providing seventy-four (74) percent of the cost of the Summer Feeding Program. This program was started with Federal funds many years ago. In 2016, approximately \$27,000 was received in Federal funds and the General Fund provided approximately \$58,856 for a total cost of \$85,856.

In addition to the transfers mentioned above, the other major annual allocations included in this budget are funding of \$2,078,770 for Emergency Preparedness, \$7,103,140 for operating and maintaining general governmental buildings, \$3,127,627 for Planning & Zoning, CZM and Building Codes, \$2,186,134 for the District Attorney's Office, \$1,696,856 for the Sheriff's Office, including the feeding and housing of parish prisoners, and \$1,598,858 for 29<sup>th</sup> Judicial District court system.

The requested budget for Personal services in the General Fund is increasing approximately \$351,086, or 2.3% from the 2016 original budgeted amount, which is primarily attributed to the 1.1% cost of living adjustment as well as the 1% to 3% merit raises budgeted for 2017.

In 2015, the Planning and Zoning Department completed both Phase 1 of the Zoning Code Modernization Program and the Coastal Zone Management Plan. In 2017, we have again budgeted funds for Phase 2 of the Zoning Code Modernization Program.

#### GASB 45

In 2004, the Governmental Accounting Standards Board (GASB) released Statement 45 (GASB 45) concerning health and other non-pension benefits for retired public employees also referred to as "other postemployment benefits "or OPEB. The Parish was required to implement this new

standard in its 2008 financial statements. This rule requires the Parish to report its annually accruing cost of future health benefits for retirees whether they have provided the funds to offset the cost or not. The premise is to identify the anticipated costs associated with the employees currently working years that will be paid out after they retire. This rule does not impose regulations on the Parish as to 'how' we should fund retiree health benefits, it does however govern the rules that auditors must follow in providing opinions on the reliability of our financial statements.

During the 2013 budget process, a portion (\$2.5 million) of the amounts actuarially determined to fund the Parish's postemployment benefits without changing those benefits was approved and a formal trust (The St. Charles Parish Retiree Benefits Funding Trust) was created. To actually fund our total obligation; the Parish would be required to reserve \$11,994,138 to reach our current obligation. Please note that the \$2.5 million start up amount was from the General Fund. For the 2016 Budget, we have allocated the annual contribution amount between each department based upon the number of employees by department. For 2017, a total of \$790,600 is in the budget as a contribution to the St. Charles Parish Retiree Benefits Funding Trust.

In addition to providing funding for the Trust each year, the administration is also currently reviewing ways to limit our future liability. Effective September 1, 2014, the Parish revised its Retiree Health Insurance Policy to state that any employee who retired on or after January 1, 2015, upon the retiree and/or an eligible spouse becoming Medicare eligible, the retiree and/or eligible spouse shall no longer be covered by the Parish's group health insurance. This change resulted in significant savings to the OPEB liability.

#### SPECIAL REVENUE FUNDS

It is estimated that the fund balance of the Parish's Special Revenue Funds will decrease by approximately \$10,144,410 from the projected end result for 2016. Just as in 2016, expected revenues budgeted for 2017 are not sufficient to cover recurring expenses and capital outlay and the accumulated fund balance is therefore being used to fund capital projects. Please note that with the recently enacted change to the Louisiana Budget Act, for all capital projects; whether or not they will be completed in one budget cycle, the full project amount must be budgeted prior to the project being let out to bid. As a result, at the beginning of each new budget cycle, those projects not completed in the previous budget cycle will be rolled into the current budget cycle via a budget amendment, thus each year the expected revenues are always less than the budgeted expenditures due to the fact that those expenditures include the full amount of a capital projects that will take several years to complete and thus their funding will be spread out over several years. Proposed capital expenditures for 2017 are approximately \$20,361,088 which is 68% less than the budgeted amount for the year ending 2016. The fund balances previously used for capital outlay have been used for drainage, road, and recreation projects.

With the passage of the Flood Protection and Wastewater Millages, funding sources for capital outlay will begin to be available to continue implementation of the master drainage plan. The increased sales taxes experienced in recent years were used for several of these

projects; however, it does not begin to address the drainage issues in this Parish. It should also be noted that we are currently budgeting approximately \$28,411,391 of Roads and Drainage projects to be completed by the end 2016 with another \$10,383,710 budgeted for 2017. Should these projects be implemented, the unrestricted fund balance will be depleted to approximately \$5,188,851, down from the \$11,661,595 expected to remain as of 12/31/2016.

The Roads and Drainage M&O Fund is also heavily dependent upon sales tax revenue as a funding source. Over sixty-one percent (61%) of the revenues expected in 2017 are estimated to come from sales tax. Since sales tax revenue can vary significantly from year to year, a sufficient fund balance must be maintained to continue current operations during periods of economic downturn. Spikes in Sales tax revenues cannot be relied on; therefore, it is imperative that the fund balance in this fund should be held at a level high enough to cover emergency expenditures, including flood and hurricane events, but also to help the Roads and Drainage Fund weather the storm of economic uncertainty.

The administration has budgeted funds to be placed into escrow accounts for pump station and levee operations and maintenance within the Roads and Drainage budget. Budgeting this money now makes good business sense but also satisfies several requirements of the regulations that govern accrediting our levees and pump stations. In addition, additional spending on the levee design, permitting, and construction is occurring at the same time as the Parish participates in the Levee Analysis and Mapping Procedure (LAMP) pilot program and appeals the FEMA Flood Insurance Rate Map. These urgent and vital projects and processes will continue to be a priority of the Departments of Public Works and Coastal Zone Management.

As the Roads and Drainage Fund represent the Parish's largest single department, it is also impacted significantly by GASB 45. The Public Works Department is currently budgeting 198 individuals for 2017 and thus stands to bear a significant portion of the \$11.9 million current obligation for our net post employment benefit obligation. The amount budgeted in 2017 to be transferred to the St. Charles Parish Retiree Benefits Funding Trust from Roads and Drainage is \$290,000.

Grass cutting and field maintenance consumes the largest portion of the Department of Parks and Recreation's budget. New parks and responsibilities are added with each new subdivision. The Department maintains over 320 acres of parks and ball fields at approximately 51 locations throughout the Parish. The department's budget includes estimated expenditures of \$5,887,750, including \$2,159,300 of Capital Outlay. These expenditures are \$677,410 above the revenue that is expected to be generated in 2017. As a result of this deficit, there is a budgeted \$1,180,840 transfer from the General Fund to Recreation. The Recreation program is a vital service to citizens of all ages in our Parish and we must work to maintain its core programs within the budget constraints.

Contributions from the General Fund are now higher than the funding provided by federal grants for the Retired Senior Volunteer Program. This budget includes a subsidy of \$185,000.

The Millage supporting the Road Lighting Fund was reduced by .4 mils in 2015 which will reduce the revenue available annually; however, revenue is projected to meet the anticipated expenses of the fund. It is estimated to have an ending fund balance of \$2,408,704.

Expenditures in the Mosquito Control Fund have also increased from our projected result at the end of 2016. The cost of increased surveillance, suppression for encephalitis, and the West Nile virus are primarily responsible for these increases.

Personal Services in the Parish's Special Revenue Funds are expected to increase by \$596,829 from that originally requested in 2016 which is directly attributed to the 1.1% cost of living adjustment for 2017 and 1 to 3% merit raises.

All Special Revenue funds are budgeted to provide an acceptable level of service to the public during 2017 and ending fund balances met the minimum recommended level, with the exception of Retired Senior Volunteer Program. However, to insure sound financial operations and capital improvements, changes are required for some of the Special Revenue Funds. Long term capital improvement funding for Roads and Drainage must be obtained, and the functions of the Department of Parks and Recreation, Mosquito Control and Retired Senior Volunteer Program must be maintained within budget constraints.

#### CAPITAL PROJECT FUNDS

Ending fund balance in the Parish's Capital Project Funds is expected to decrease to \$549,020 by the end of 2017. Included in the 2017 Capital Outlay expenditures are \$550,000 for Recreation Facilities Construction for various parks. The funding for these parks was provided by subdivision developers and thus can only be used in their areas wherein those particular subdivisions were developed.

#### DEBT SERVICE FUNDS

The Parish's Debt Service Funds were established pursuant to the provisions of bond resolutions for the exclusive purpose of retiring the debt of various Parish bond issues. The budgets are self-explanatory in nature.

#### ENTERPRISE FUNDS

For years the Solid Waste Collection & Disposal fund was self-sufficient by utilizing customer service charges to fund the program. The Parish's businesses and industry were not burdened with additional ad valorem or sales taxes to pay for a service they were not using.

In April of 2014, St. Charles Parish reached an agreement with our Solid Waste Provider to increase their contract by \$1.57 per residential unit. The settled upon increase was not shifted to the solid waste customer in 2014 or 2015 in order to keep rates down for our residents and businesses. However, 2016 witnessed the first rate adjustment in two and a half years on January 1<sup>st</sup>. The current contract ends in early 2017, therefore my administration along with the Council will have the responsibility of soliciting for solid waste providers and negotiating the best rate for our residents and businesses.

In January of 2016, the wastewater rates were significantly as a result of some revenue being available from the Wastewater Millage renewed by the voters in May of 2015 as well as the addition of a new commercial rate. The domestic rates will again be lowered in 2017 and 2018. With the passage of the new Wastewater Facility millage, this will allow the administration and Council to have the ability to make necessary and vital capital improvements to the Wastewater system. Unlike previous years, there is no need to transfer money from the General Fund to subsidize the Wastewater Department. The anticipated ad valorem tax revenue generated from this new millage is approximately \$1.3 million.

Over the past several years, the Wastewater Funds unreserved net assets have depleted significantly which has resulted in a cash shortage for capital maintenance and improvements. In 2011, the Parish received approval for a \$6.5 million, 0.95 percent 20 year loan from LDEQ for the purpose of repairing 6 Lift Stations vital to the Parish, as well as major repairs for the Parish's Eastbank and Westbank WasteWater Treatment facilities. The principle and interest payments on this loan are subsidized by the General Fund for approximately \$360,000 per year, which is included in the ½ % Public Improvement Sales Tax Bond Reserve Sinking Fund. As of September 15, 2016, the Parish has utilized \$6.4 million of this loan for Capital Outlay, and expect to utilize the remaining \$100 thousand in the remainder of 2016. On September 16, 2016, the administration received word from the Department of Environmental Quality that the Parish has indeed been approved for a new \$8 million, 0.95% 20 year loan for vital sewer improvements. The principal and interest on this loan will be paid from the new Wastewater Facility millage.

During 2016, the Department of Waterworks was facing ever increasing regulations and costs of doing business; nevertheless, the department has continued to maintain all water quality standards set by the State of Louisiana and achieve national recognition. As a result rates were adjusted in 2016 to compensate for these regulations as well as the ever increasing costs of maintaining our system. As a result of these changes, in 2017, total expenditures are budgeted to be approximately \$1,044,338 under estimated revenues.

#### PERSONAL SERVICES

Personal Services, wages and benefits, are budgeted to increase 2.9% in the governmental funds and 1.8% in proprietary funds over the original budget for 2016 which include a

1.1% cost of living increase for our employees and up to 3% in merit raises for eligible employees. The primary reason for the increase is the 1.1% Cost of Living.

Medical insurance benefits for Parish employees have increased approximately 173% from 2000 to 2016. In 2000, the Parish paid \$488 per month for family coverage and is currently paying \$1,334 per month. That is an additional \$10,152 per employee with family coverage. This year an employee pays \$173 (average) per month for family coverage and \$65 per month for individual coverage. As rates increased significantly in 2015, a 20% increase is budgeted for 2017 based on the advice received from our third party insurance advisor.

The Parish's contributions for the Parochial Employees Retirement System have also varied over the years based upon economic factors and the system's return on investment. In 2003 the employer (Parish) paid 7.75%, which rose to a high of 16.75% in 2013. Since 2014, the employer contribution rate has been steadily declining to a current 2016 rate of 13%, with the rate for 2017 projected to be 12.5%, with an estimated budget cost to the Parish of \$3,123,500, down approximately \$67,100 from the 2016 Budget estimate.

I know that our employees are our most important asset and I will always keep them and their well being in mind through every budget process.

#### FUTURE REQUIREMENTS

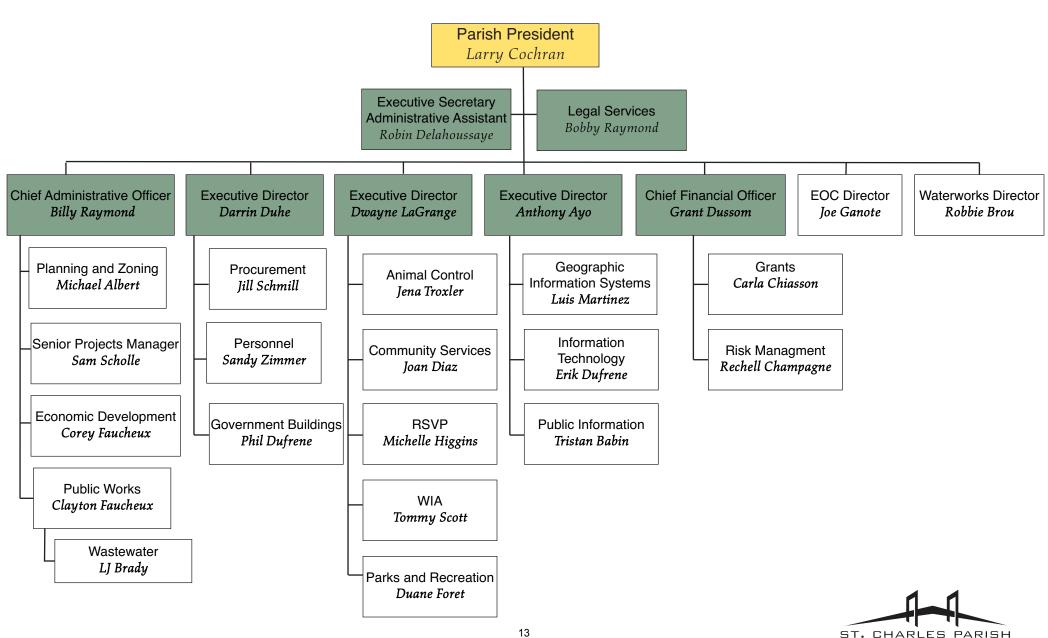

Final decisions on budgetary matters belong, quite properly, to the Legislative Branch. On the way to those final decisions, I hope that you will find our work in proposing this budget to be intelligent, honest, cooperative and helpful. I'd like to thank the Council for your cooperation and support this and every year we have been together. Setting the priorities of the Parish for the next year takes compromise and you have worked with us every year to produce a balanced, thoughtful budget.

In closing, I want to thank the staff of the Finance Department, the Finance Director, the Chief Administrative Officer, and other department heads and staff who worked with us for their dedication and cooperation in preparing this proposed budget. My staff and I stand ready to answer your questions as best as we can and we look forward to working with you to make 2017 another great year for St. Charles Parish.

Sincerely,

Larry Cochran Parish President

## ST. CHARLES PARISH DEPARTMENT AND OFFICE ORGANIZATIONAL CHART **IUNE 2016**

#### **Organization**

St. Charles Parish Council (the Council) is the governing authority for the Parish of St. Charles, a political subdivision of the State of Louisiana, as authorized by the Constitution of the State of Louisiana. The Council consists of nine members of which two members are elected parish wide to represent the entire parish and seven members are elected to represent each of the seven districts. The Parish President, elected by the voters of the Parish, is the chief executive officer of the Parish and is responsible for carrying out the policies adopted by the Council and for administering all Parish departments, offices, agencies, and special districts.

#### The Process

The purpose of the Annual Operating Budget for St. Charles Parish is to provide fiscal guidance for the upcoming year. The aim of the budget process is to determine how the limited estimated revenues will be allocated. The budget calendar for preparation of the 2017 Annual Operating Budget was as follows:

| Date                         | Action   |
|------------------------------|--|
| June 6, 2016                 | Instructional letter forwarded to departments by CFO.  |
| July 1, 2016 – July 31, 2016 | Conduct Department Budget meetings to formulate the Proposed 2017 Parish Budget Requests.  |
| July 22, 2016                | District and Agency Proposed Budgets due.  |
| August 1, 2016               | Begin inputting Proposed 2017 Consolidated Operating and Capital Budget data into the computer system.   |
| August 22, 2016              | Present Preliminary Budget Draft to the Parish President.  |
| September 16, 2016           | Fax Notice of Availability of Proposed 2017 Budget to Newspaper for Public Inspection.   |
| September 16, 2016           | Budget Ordinance and Summary to Council Secretary for introduction on October 5, 2015 Council Meeting. Provide a PDF copy of the Proposed Budget to the Council for review. Parish Council Meetings on October 3 and 17 will announce Public Hearing dates for the Public Hearings of the 2017 Budget. All are invited to attend.            |
| September 22, 2015           | Public Notice of Availability of Proposed 2017 Budget for Public Inspection, Ordinance and Budget Summary. When budget-request packets were sent to the various departments and agencies in June 2016, each general fund department was given a target amount determined by the Administration and Finance Department. Keeping the current economic climate in mind, department heads were encouraged to explore ways that their current operations could be streamlined and to apply savings or cost recovery measures while preparing their 2017 budget requests. Special revenue fund requests are limited by the level of resources available from their dedicated revenues.

During the Parish Presidents budget discussions, department heads are called upon to justify their budget requests and to discuss how their activities relate to the Parish Presidents Goals shown earlier in this document. The Council must hold at least three public hearings prior to adoption of the final budget. By December 1, the Council must act upon the budget, or the Parish President's proposed budget is automatically adopted effective January 1.

The responsibility for the administration of the Annual Operating Budget rests in the hands of the Parish President, through his Chief Financial Officer.

The procedures used by the Parish in establishing the budgetary data reflected in the financial statements are as follows:

At least 75 days before the beginning of each fiscal year (note the fiscal year period is a Calendar year January – December), the Parish President submits a balanced consolidated line item operating and capital budget on a modified accrual basis of accounting, in accordance with the Louisiana Local Government Budget Act and in a format established by the Parish. The Parish President also submits, with the budget, a budget message containing recommendations concerning the fiscal policy of the Parish, a description of the important factors of the budget, and an explanation of all major increases and decreases of budget as compared with expenditures of prior years. After the ordinance has been introduced, the council shall cause the ordinance, or a summary thereof to be published in the official Parish journal at least once together with a notice of the date, time, and place, when and where it will be given a public hearing and be considered for final passage. The publication shall be at least one week prior to the time advertised for the hearing. The Council is required to hold three public hearings and to adopt the budget not less than 30 days before commencement of the coming year. The Council may amend the budget before adoption, except that in no event shall the Council cause the total proposed expenditures to exceed means of financing. Budgets shall be amended only during the public hearings before adoption. If the Council fails to act on the budget within the time limit provided, it shall be adopted as submitted by the Parish President. The budget constitutes an appropriation of funds for all purposes contained therein. The budget ordinance becomes effective on the first day of the fiscal year unless otherwise provided therein.

If during the fiscal year the Parish President certifies that there are available revenues in excess of those estimated in the budget, he shall present a supplemental budget for the disposition of such revenues to the Council. The Council by ordinance may make supplemental appropriations up to the amount of the excess. To meet a public emergency affecting life, health, property, or the public peace, the Council may make emergency appropriations. The appropriations may be made by emergency ordinance in accordance with the provisions of Article IV, Section E of the Home Rule Charter. To the extent that there are no available un-appropriated revenues, the governing authority may borrow money to meet the emergency. The repayment shall be a fixed charge upon the revenue of the following year and shall be included in the operating budget for that year. If during the fiscal year it appears that revenues available will be insufficient to meet the amount appropriated, the Parish President shall indicate the estimated amount of the deficit and recommend to the Council steps to be taken. The Council shall take action as it deems necessary to prevent any deficit.

The Parish President may transfer part or all of any unencumbered appropriation balance among programs within a department or office of the Parish. Before the Council may transfer part or all of any unencumbered appropriation balance from one department or office to another, a written request is required from the Parish President. No appropriation for debt service may be reduced or transferred, and no appropriation may be reduced below any amount required by law to be appropriated or by more than the amount of the unencumbered balance thereof. The ordinance authorizing a supplemental appropriation, or a reduction or transfer of appropriations may be made effective immediately upon adoption but may not be adopted at the same meeting as introduced.

The Council adopted budgets on all of its funds. Governmental funds are adopted on a modified accrual basis of accounting and proprietary fund budgets are adopted on an accrual basis.

If during a fiscal year, the Budget is required to be amended, the Finance Director must determine if funds are available for the purpose of the amendment, obtain approval from the Parish President for said amendment, and finally present said amendment to the Council for final approval. Should the amendment be approved by the council, the budget will be updated to reflect the change. In July of each year, the Finance department will post an updated Budget on the Parish website to reflect any amendments that were approved by the St. Charles Parish Council.

#### **Balancing the Budget**

The Parish President will submit a balanced operating budget to the Council and the Council shall adopt a balanced operating budget in accordance with the budget calendar each year. A "balanced budget" is defined as one in which total appropriations do not exceed total anticipated revenues, taking into account the estimated surplus or deficit at the end of the previous fiscal year. The Parish shall maintain a balance between operating expenditures and operating revenues over the long term. If extenuating circumstances result in a deviation from a balanced budget, the details will be disclosed in the Parish President's budget message.

The calculation of operating revenues will exclude non-recurring or unstable collections. Recurring subsidies from other funds, in which the expenditures are built into the base operating budget for the fund providing the source, will be considered operating revenues. Operating expenditures will include personal services, supplies, contractual services, transfers out, and capital outlay. The Parish will avoid budgetary

and accounting procedures that balance the current budget at the expense of future budgets. The budget will remain balanced throughout the year.

#### **Budgetary Structure**

The Annual Operating Budget for St. Charles Parish includes various funds that are budgeted and accounted for separately. Categorized into Governmental and Proprietary, the funds are as follows:

**Governmental Funds** are used to account for most tax-supported activities.

The <u>General Fund</u> is the general operating fund of the Parish. It accounts for all financial resources except those required to be accounted for in other funds.

<u>Special Revenue Funds</u> are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes or required for sounds financial administration.

<u>Debt Service Funds</u> are used to account for the accumulation of resources for, and the payment of, general long-term debt principal, interest, and related costs.

<u>Capital Projects Funds</u> are used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by Proprietary Funds).

**Proprietary Funds** are used to account for the Parish business type activities.

Enterprise Funds may be used to report any activity for which a fee is charged to external users for goods and services. Generally Accepted Accounting Principles require the use of an enterprise fund for any activity whose principal external revenue sources (1) are used for debt backed solely by fees and charges; or (2) are legally required to recover the cost of providing services of a particular activity (including capital costs such as depreciation or debt service); or (3) have been legally earmarked by policy decision to recover the cost of providing services of a particular activity (including capital costs such as depreciation or debt service).

#### **Financial Policies**

#### **Auditing, Accounting and Financial Reporting**

The Parish accounting and financial reporting systems will be maintained in conformity with generally accepted accounting principles and the standards of the Governmental Accounting Standards Board (GASB). A fixed asset system will be maintained to identify all Parish assets, their location, historical cost, useful life, depreciation method, depreciation to date, and the department responsible for asset control.

The Parish will contract with an independent accounting firm which will issue an audit opinion on the official Comprehensive Annual Financial Report. Competitive requests for proposals from qualified firms will be sought every three years. The Parish will maintain a good credit rating in the financial community.

#### **Basis of Accounting**

All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Governmental funds are maintained on the modified accrual basis of accounting.

Governmental fund revenues resulting from exchange transactions are recognized in the fiscal year in which the exchange takes place and meets the government's availability criteria (susceptible to accrual). Available means that the resources will be collected within the current fiscal year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current fiscal year. Charges for services, fines and forfeitures, and most governmental miscellaneous revenues, including investment earnings are recorded as earned since they are measurable and available. The Parish's definition of available means expected to be received within sixty days of the end of the fiscal year.

Non-exchange transactions, in which the Parish receives value without directly giving value in return, includes sales tax, property tax, special assessments, grants, entitlements, and donations. Property taxes are considered measurable in the calendar year of the tax levy if collected soon enough to meet the availability criteria. Sales taxes and gross receipts business taxes are considered "measurable" when the underlying transaction occurs and meets the availability criteria. Anticipated refunds of such taxes are recorded as fund liabilities and reductions of revenue when they are measurable and valid. Special Assessments are recognized as revenues only to the extent that individual installments are considered current assets in the governmental fund types. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources can be used.

Expenditures are recognized in the accounting period in which the related fund liability is incurred, if measurable, except for the following: (1) principal and interest on long-term debt are recorded when due, and (2) claims and judgments, group health claims, arbitrage payable, net pension obligation, and compensated absences are recorded as expenditures in the governmental fund type when paid with expendable available financial resources. Allocations of cost such as depreciation and amortization are not recognized in the governmental funds.

In accordance with Statement No. 20 of the Governmental Accounting Standards Board (GASB), "Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting" it is the policy of the Parish's proprietary funds to apply only Financial Accounting Standard Board Statements and Interpretations, Accounting Principles Board Opinions, and Accounting Research Bulletins of the Committee on Accounting Procedures issued on or before November 30, 1989, unless those pronouncements conflict with or contradict GASB pronouncements.

All proprietary funds are accounted for on a flow of economic resources measurement focus. Proprietary funds are maintained on the accrual basis of accounting wherein revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recognized in the period incurred, if measurable. Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place.

#### **Budgetary Accounting**

Formal budgetary accounting is employed as a management control device during the year for the General Fund, Special Revenue Funds, Debt Service Funds, Capital Project Funds, and Proprietary Funds.

The level of budgetary control is at the fund/department level and expenditures may not exceed budgeted appropriations. Appropriations that are not expended or encumbered lapse at year-end.

Budgets for the General Fund, Special Revenue Funds, Debt Service Funds, and Capital Project Funds are adopted on a modified accrual basis of accounting. Proprietary funds are adopted on a basis consistent with generally accepted accounting principals (GAAP).

#### **Debt Issuance and Cash Management**

The Parish may issue short term debt to cover temporary or emergency cash flow shortages or to provide necessary financial resources. All short term borrowing will be subject to the approval of the Parish President and the Parish Council.

The Parish will use interfund loans if cash is available rather than outside debt instruments to meet short term cash flow needs. A single consolidated bank account has been established at a local bank into which monies are deposited to and from which disbursements are made. Under state law, the Parish may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having principal offices in Louisiana. Under state law, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the bank. Certain pledged securities are held by the Parish's agent in the Parish's name.

State laws permit the Parish to invest in United States bonds, treasury notes or certificates, or other obligations of the U. S. Government and agencies of the U. S. Government that are federally insured, and certificates of deposit of state banks and national banks having their principal office in the state of Louisiana, or in mutual or trust fund institutions which are registered and which have underlying investments limited to securities of the U. S. Government or its agencies. In addition, local governments in Louisiana are authorized to invest in the Louisiana Asset Management Pool (LAMP), a cooperative endeavor formed by an initiative of the State Treasurer and organized under the laws of the State of Louisiana, which operates as an investment pool.

Cash and cash equivalents are stated at cost, which approximates market. Investments are stated at fair value except for short-term and money market investments; consisting primarily of U. S. treasury obligations with a maturity of one year or less at the time of purchase, and LAMP investments which are reported at amortized cost.

Securities traded in a national exchange (with maturities greater than one year at the time of purchase) are valued at the last reported sales price. Investments (with maturities greater than one year at the time of purchase) that do not have an established market price are reported at estimated fair value. Realized gains and losses on investments recorded at fair value are included in investment income.

The Parish uses a clearing account to make disbursements for all funds of the Parish. Funds with a "Due to Clearing Account" report the advance as an interfund payable and the General fund, which has been determined to be the receivable fund by management, reports an off-setting interfund receivable.

The Parish will confine long term borrowing to capital improvements that cannot be funded from current revenues. Proceeds of long term debt will not be used from current ongoing operations. The term on the bonds shall not exceed the expected useful life of the project.

The Parish will adhere to all legal and statutory limitations relative to debt issuance. The Parish has the authority to incur debt and issue bonds in accordance with a number of provisions found in the Louisiana Constitution and Louisiana Revised Statutes. The Parish will obtain approval from the State Bond Commission prior to the issuance of any type of long term debt, as required by state law. The Parish will issue general obligation bonds only when authorized by a majority of all qualified voters voting on a proposition to issue general obligation bonds.

The sales and use tax revenue is the strongest credit source of the Parish and has been the preferred pledge for bonds issued in recent years. State law requires that annual sales tax revenues dedicated to the payment of sales tax revenue bond debt service be at least 133% of the highest year's debt service on sewer and transportation bonds and 250% on bonds supported by the 1% general fund tax. The Parish has the legal capacity available to issue considerable amounts of additional bonds based on these revenue streams. The issuance of additional sales tax revenue bonds supported by existing sales and use taxes does not require further voter approval.

The Parish Finance Department will review outstanding debt periodically to determine feasibility of refunding all or a portion of particular issues.

Parish employees will participate substantially in the bond issuance and refunding process with the assistance of the bond counsel in order to make the most efficient use of resources by timing and sizing deliveries in a manner designed to minimize borrowing costs.

#### **Debt Level and Capacity**

The Parish will adhere to all legal or statutory limitations on debt level and capacity. Prior to the issuance of debt, an evaluation of debt capacity will be conducted based on current financial capacity, projected future capacity, statutory and constitutional limitations, and bond covenants. The Debt Service Funds section of the budget contains calculations of debt capacity for various types of debt. Public improvement and general obligation bonds accounted for in the debt service funds are serviced through the collection of parish ad valorem taxes and sales taxes. Revenues from operations service the revenue bonds accounted for in the proprietary funds.

The outstanding bonds secured by ad valorem taxes consist of general obligation bonds. These bonds totaled \$9,905,000 as of 12/31/15. In accordance with Louisiana Revised Statute 39:562, the Parish is legally restricted from incurring long-term bonded debt secured by ad valorem taxes in excess of ten percent of the assessed value for taxable property in the parish for any one purpose. The statutory debt limit for the Parish as reported at December 31, 2015 was \$136,303,122.

#### **Debt Obligations**

The Parish currently has three types of Bonds outstanding – Public Improvement Bonds, General Obligation Bonds, and Revenue Bonds. Public Improvement and general obligations bonds are accounted for in the Debt Service Funds, which are serviced through the collection of parish ad valorem and sales taxes. The Revenue Bonds, which are accounted for in the Enterprise Funds, are serviced by revenues from operations. In 2010, the Parish was awarded a Public Improvement Sales tax revenue bond which is to cover construction costs up to \$6.5 million for the Wastewater Department. To date, the Parish has incurred \$5.4 million of the costs. A breakdown of three types of debt, including their maturities is provided below:

|                                    | Date of Issuance | Authorized and Issued | Interest<br>Rate | Maturity<br>Date | Principal<br>Outstanding | Interest to<br>Maturity |

#### **Investment Policy**

The investment policies are governed by state statute and bond covenants. The investment policy will be reviewed periodically, and all amendments will be submitted by the Finance Director to the Council for review and adoption.

#### Revenues

The Parish reviews each revenue stream annually in regards to factors relevant to past, present, and projected future collections. The primary sources of revenue for the Parish are Sales and Use taxes and Ad Valorem Taxes. The Parish will on occasion receive one time revenues for which the Parish will limit

the use of these one-time revenues, as they cannot be relied on in future budget periods, to non-recurring expenditures in order to minimize disruptive effects on service due to non-recurrence of these sources. One time revenues may include, but are not limited to, legal settlements, bond refunding savings, the sale of government buildings, non-recurring grants, etc. Acceptable uses of non-recurring funds include infrastructure improvements, capital acquisitions, startup costs, early debt retirement, and other expenditures of a non-recurring nature.

#### **Fees and Charges**

The Parish will establish fees and charges to cover the costs of services provided. All fees imposed by the Parish will be approved by the Administration and established by the Council by ordinance, and will not be in conflict with state law. Cost of services include direct and indirect costs such as operating and maintenance costs, overhead, and charges for use of capital (depreciation and debt service). All fees charged will be reviewed periodically to determine the level of cost recovery for services and the reason for any subsidy. Reasons for not recovering full costs will be identified and explained.

#### **Expenditure Policies**

The Parish will maintain a level of expenditures that will provide for the well-being and safety of the residents of the community. All expenditures made shall be for a public purpose, and no expenditures will be made which are prohibited by administrative directives, local ordinances, or federal and state statutes. Parish departments and agencies will comply with the procedures included in the Purchasing Ordinance and Purchasing Manual in the procurement of goods and services.

#### **Fund Balance**

The Parish will maintain an appropriate level of financial resources to protect against reducing service levels or raising taxes and fees because of temporary revenue shortfalls or unpredicted one-time expenditures. Fund Balance is defined as the difference between the assets and liabilities in a governmental fund and a designation of Minimum General Fund-Fund Balance will be made at the end of each year equal to at least 5% of total Governmental Funds budgeted appropriations with a bottom line reserve of \$7 million. Consideration will be given to cash resources available to the fund when determining designations. On November 21, 2010, the St. Charles Parish Council adopted an ordinance requiring a minimum General Fund Balance of 5% of total budgeted governmental expenditures or a minimum \$7 million fund balance, whichever is greater, be maintained for the Parish at all times. As total Governmental Expenditures are budgeted to be \$87,452,395 for 2017, the minimum reserve for the General Fund is therefore set at \$7 million. The actual budgeted General Fund Balance for 2017 is \$12,897,152.

#### **Reporting Entity**

St. Charles Parish Council (the Council) is the governing authority for the Parish of St. Charles, a political subdivision of the State of Louisiana, as authorized by the Constitution of the State of Louisiana. The Council consists of nine members of which two members are elected parish-wide to represent the entire parish and seven members are elected to represent each of the seven districts. The Parish President, elected by the voters of the Parish, is the chief executive officer of the Parish and is responsible for carrying out the policies adopted by the Council and for administering all Parish departments, offices, agencies, and special districts.

The basic criterion for determining whether a governmental department, agency, institution, commission, public authority, or other governmental organization should be included in a primary governmental unit's reporting entity for basic financial statements is financial accountability. Financial accountability includes appointment of a voting majority of the organization's governing body and the ability of the primary government to impose its will on the organization or if there is a financial benefit/burden relationship between the primary government and the other organization. In addition, an organization that is fiscally dependent on the primary government or has a potential to provide specific financial benefits to the primary government should be included in the reporting entity.

As required by generally accepted accounting principles, the financial statements of the reporting entity present the primary government (the Parish) and its component units. The component units discussed below are included in the Parish's reporting entity because of the significance of their operational or financial relationships with the Parish.

Based on the previous criteria, the Parish has determined that the following component units should be included in the reporting entity of the Parish.

#### 1. St. Charles Parish Communications District

The Communications District was established by parish ordinance on August 4, 1986, under the provisions of Louisiana Revised Statute 33:9101-9106. The district was established to maintain and operate a 911 emergency telephone system for St. Charles Parish. Funding is provided by local grants and an emergency telephone service charge not to exceed five percent (5%) of the highest tariff rate for local telephone service supplied within the District. A seven-member board of control governs the district. Only one elected Parish Council member serves on this board. The district's board is not the same as the elected Parish Council, and it does not provide services only to the Parish government. It is fiscally dependent because it cannot levy taxes, set rates or charges, or issue bonded debt without approval of the primary government. It is reported as a discretely presented component unit. The Communications District does not issue separate financial statements. It has a fiscal year ending December 31.

#### 2. St. Charles Parish Library Service District No. 1

The Library Service District was established by parish ordinance on November 9, 1948, under the provisions of Louisiana Revised Statute 25:211. Funding is provided from ad valorem taxes, state aid, state grants, and book fines. Expenditures are restricted to library services. A five-member board of control, appointed by the same elected Council that governs the Parish, governs the library. The district's board is not the same as the elected Parish Council, and it does not provide services only to the Parish government. The district is fiscally dependent upon the Parish Council because it cannot levy taxes or issue bonded debt without approval by the Parish Council. It is reported as a discretely presented component unit. The library does not issue separate financial statements. It has a fiscal year ending December 31.

#### 3. St. Charles Parish Hospital Service District

This special district provides hospital services to St. Charles Parish citizens. The Council appoints the board members of the Hospital Service District and can remove them at will. While the District is responsible for obtaining voter approval for the levy of taxes or debt issuance, all related Louisiana State Bond Commission approvals must be obtained through the Parish. For these reasons, the Parish has the ability to impose its will on the District.

St. Charles Parish Hospital Service District has a fiscal year ending on July 31. Separate audited financial reports containing additional information that may be required of the District, can be obtained from *Carr*, *Riggs & Ingram*, *LLC* at 3501 North Causeway Boulevard, Suite 810, Metairie, LA 70002. More detailed information regarding operational results is available from the Parish for the period ending July 31, 2015.

The Parish is required to prepare financial statements that consider all units within the reporting entity. The Parish budget establishes appropriations for operations of the primary government, which in some cases include interaction with the component units; however the Parish does not exercise budgetary control over the component units except on funds appropriated by the Council.

#### **Legal Requirements**

Legal requirements applicable to budget amendments are set forth in the St. Charles Parish Home Rule Charter and with the Louisiana Local Government Budget Act (R.S. 39:1301 et. seq.). In accordance with the provisions of Article V, Sections D, E, and F of the St. Charles Parish Home Rule Charter and with the Louisiana Local Government Budget Act (R.S. 39:1301 et. seq.), the Parish President has the authority to authorize the transfer of any unencumbered balance of an appropriation, or portion thereof, to supplement another appropriation made in the same budget to the same department, office or agency via an executive order which in addition to the Parish President's signature, must also have the approval of the Finance Director. At the request of the Parish President, the Council may by ordinance transfer any unencumbered balance of an appropriation, or portion thereof, to supplement an appropriation made in the same budget to another department, office, or agency via a formal budget amendment.

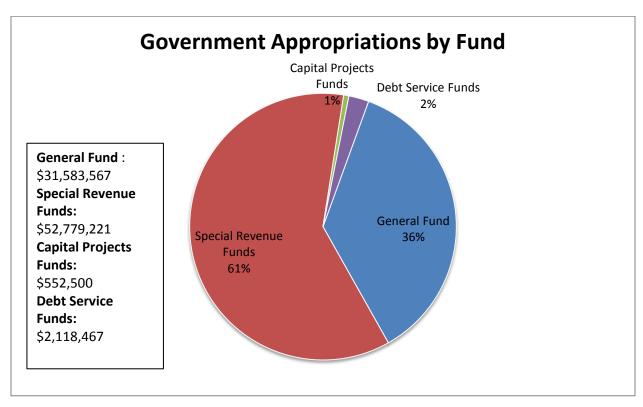

Appropriations in addition to those contained in the current expense budget may be made only on the recommendation of the Parish President and only if the Finance Director certifies that sufficient funds are available in accordance with the best recognized practices in governmental accounting to meet such an appropriation. If funding is available, a budget amendment is submitted to the Council for approval.

#### **Budget Highlights**

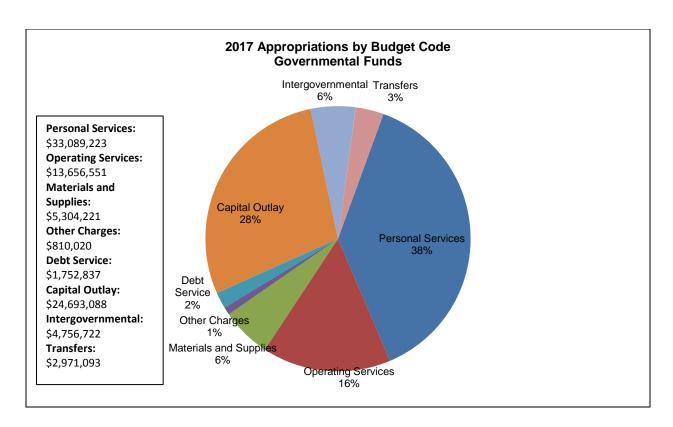

The total Governmental Fund budget for 2017 is \$87,452,395, while the total budget for the Parish Proprietary Funds is \$29,839,923. The Governmental Fund budget decreased by \$4,997,451 from the prior year 2016 budget, a total decrease of 5.5%. The primary reason for the large decrease in appropriations from 2017 to 2016 is directly attributed the decrease in Intergovernmental expenditures which was the result of an accounting change caused as a result of our 2015 annual Financial Statement Audit. In prior budgets, the Parish included the revenues and associated expenses for 4 taxing districts for which the Parish Administration, nor the Parish council have any financial control over. As such, these funds were treated as pass through funds wherein the Parish would collect the ad valorem and sales taxes

on their behalf and simply remit the amounts to them net of any required deductions with the end result being the revenues equaled the expenses. Therefore, in the 2017 Budget, the Health Unit, Council On Aging, ARC, and Fire Protection Fund, will no longer be included in our budget, hence the large decrease in both revenues and expenses from the prior year 2016 Budget.

Proprietary Funds decreased by \$54,488 from the 2016 budget, a total decrease of 0.2% which is primarily due to a decrease in operating services for 2017. The graphs below highlight the total operating appropriations. In the first graph, Governmental Funds are broken down by Functional Area-General Fund, Capital Projects Funds, Special Revenue Funds, and Debt Service Funds, whereas the second graph shows the division by budget code, i.e. Personnel, Operations, Capital Outlay, etc.

General Fund appropriations decreased slightly for 2017, with only a minor decrease in Capital Outlay. Special Revenue Funds decreased 5.5% from FY2016, a decrease of \$3.1 million, which is a direct result the Council on Aging, Fire Protection, ARC and Health Unit taxing districts no longer being included in our budget. Debt service funds are budgeted to decrease \$1.5 million due to the fact that in 2016, the Parish made a onetime defeasance payment on the Sewer General Obligation Bond, thus requiring lower Principal and Interest payments going forward, Capital Projects decreased 57% from FY16, or \$731,255, which is attributed to the construction of the Ormond Boulevard project taking place in 2016 and no major projects budgeted for 2017.

Personal Services increased 2.9% from FY16, which is primarily attributed to the 1.1% cost of Living raise combined with a 1 to 3% Merit raise. Operating Services decreased 9.1% from FY16, which is primarily attributed to increased professional services as a result of the Hurricane Protection levee plans. Materials and Supplies and Debt service remained relatively stagnant, with a slight decrease from FY16, while Capital Outlay witnessed a 8.2% from FY16, primarily attributed to Hurricane Protection Levee projects budgeted for 2017.

#### **Revenue Assumptions**

The Parish's primary source of revenue is the Sales and Ad Valorem taxes collected each year. The Parish employs historical trends to forecast Ad Valorem tax revenue and utilizes outside estimates provided by the Sales Tax collection office to budget revenues for sales taxes. Our other primary form of revenue is Intergovernmental revenues, which are most commonly grants. This type of revenue is simply determined by the type of grant award to be received.

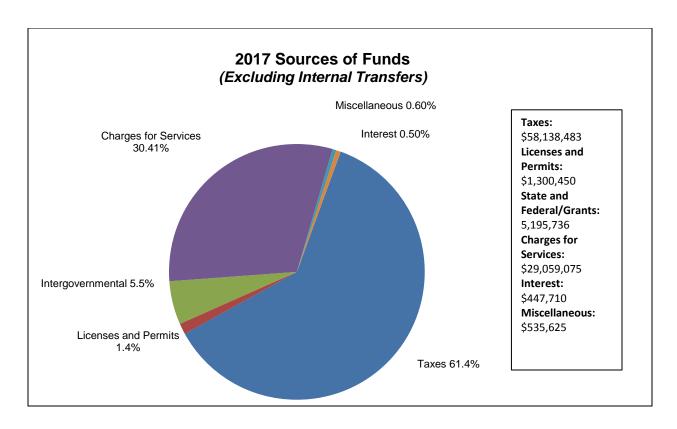

Total sources of governmental fund revenue, excluding transfers and internal charges, reflect an overall decrease for 2017 of 11.8% as compared to the 2016 original budget. The decrease is due to the completion of several grant projects in 2016, and thus the funding associated with them in addition to the aforementioned taxing districts of Council on Aging, Fire Protection Fund, ARC, and the Health Unit Revenues and Associated expense no longer be included in the overall budget. The following is a general overview of revenues, along with detailed discussions for the more significant items.

The Parish anticipates a 3.52% increase in Sales Tax revenue for 2017 and a decrease in Ad Valorem tax revenue.

Given the volatility of Sales Taxes over the past 10 years, i.e. Sales taxes fluctuated as much as 27%; these temporary increases cannot be relied on, especially in times of economic turmoil. With that being said, when these temporary spikes do arise, the Parish in turn devotes these additional funds to one time Capital projects much needed throughout the Parish, especially in our Roads and Drainage Budget and our West Bank Hurricane Protection Levee fund. Conversely, for the current year, as the pendulum has swung the other way, the Parish has in turn drastically reduced the amount of capital projects it will pursue.

A comparison of 2015 Projected Ending and 2016 Budgeted total sources of funds (excluding internal transfers) are as follows – Note this includes both Governmental Funds and Proprietary Funds:

|                   | 2015 Budget | % of Total | 2016 Budget | % of Total | % Inc./Dec from Prior |

#### **Taxes**

The taxes revenue category includes ad valorem, sales, alcoholic beverage taxes, airport expansion agreement, and cable franchise taxes. With internal charges between funds excluded, taxes account for approximately 61.4% of total sources in the 2017 budget, as shown above.

Taxes, along with their associated interest and penalties, are projected to generate \$58.1 million of the total \$94.6 million generated externally in the 2017 budget.

A five-year history of tax revenues is as follows:

#### **Ad Valorem Tax**

Although ad valorem (property) taxes within the parish witnessed modest growth from 2008 through 2010, due to a large amount of inventory coming off the tax rolls, the Parish witnessed a loss of property tax revenue collected in 2011 of approximately \$700,000 across its taxing districts. Ad Valorem revenues rebounded from the 2011 deficit, putting the revenue stream back on track with its original steady, but slight increases from year to year. As 2016 was a reassessment year, the Parish witnessed an unusual phenomenon in that the assessed value of the Parish decreased from the prior year. The total impact was 2%, meaning the Parish will now collect 2% less in tax revenue than it did in 2016. The Parish Administration and the Parish council voted to adjust the millages for the Levee Fund, Road Maintenance and Recreation Department by 2% in order for these departments to receive the same amount of ad valorem revenue as they did in 2016, however, all other funds elected to keep the same rate as the prior year, thus bearing a 2% decrease from 2016.

The 1974 Louisiana Constitution authorizes the governing authorities of municipalities and parishes to levy annually ad valorem taxes of 7 and 4 mills respectively. These millages may be adjusted upward or downward in reassessment years to prevent gains or losses in revenues due to reassessment. Property is reassessed every four years, with 2016 the most recent year of reassessment.

Property subject to taxation is assessed a percentage of its fair market value. Residential properties and all land are assessed at 10%; other property and electric cooperative properties, excluding land, are assessed at 15%. The current year tax roll is completed by the assessor after the budget is submitted to the Council for approval. Any material deviations from the estimates contained in the proposed budget are reflected in the final budget amendment.

Listed below are the current and proposed millages maintained by the St. Charles Parish Council.

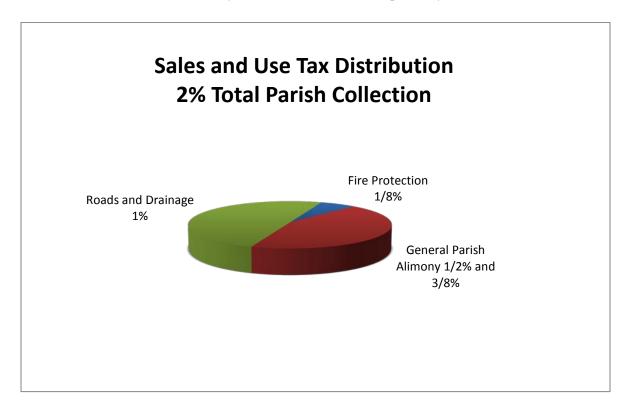

| Taxing District             | Current 2016 Millage | Approved 2016 Millage |

#### Sales Tax

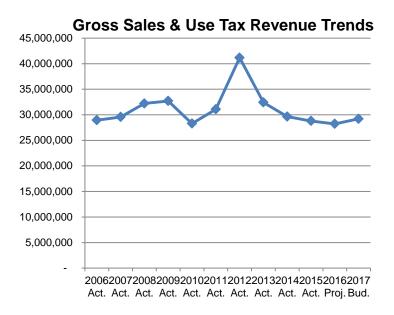

The Parish levies one percent, one-half percent, three-eighth percent, and one-eighth percent sales tax. The Parish and the St. Charles Parish School Board have entered into an agreement in which the School Board collects the Parish's sales and use taxes for a stipulated fee. The School Board remits the proceeds of the sales and use taxes to the Parish on a monthly basis.

The one percent sales tax ordinance stipulates that the proceeds derived from the tax must be used for the purpose of constructing, acquiring, improving, operating, and maintaining drains, drainage canals, pumps, and pumping plants, dykes, and levees, and related machinery and equipment; and opening, constructing, maintaining, and improving roads, street, and bridges, and purchasing machinery and equipment in connection therewith. The proceeds are subject to funding negotiable bonds for any of the above described capital purposes and providing for reserves in connection therewith. The one-half percent and three-eighth percent sales and use taxes ordinances stipulate that the proceeds derived from the taxes must be used for any lawful public purpose and for funding of bonds for constructing, acquiring and developing capital improvements in the Parish and providing for reserves in connection therewith. The one-eighth percent sales and use tax is to be used for fire protection in the Parish, including but not limited to constructing, maintaining, and operating the Parish's fire protection facilities and for funding bonds for the purpose of acquiring buildings, machinery, and equipment for the Parish and for funding appropriate reserve requirements.

The Sales and Use Tax Collected by the Parish Government is presently 2% and is distributed as follows:

An upward trend was felt in Sales and Use Tax in 2004, increasing sharply in 2005 and 2006. Sales and Use tax is budgeted based on normal collection rates, not on extraordinary scenarios such as Hurricane Katrina. Sales tax revenue dropped dramatically in 2010 for the Parish General Fund, Roads and Drainage and Fire Protection Sales taxes from the record highs reached in 2009, rebounding slightly in 2011, but in 2012, record highs were again reached. 2012 Sales taxes alone increased nearly 24% from 2011, the highest increase in the Parish's history. Sales taxes however are expected to rebound in 2017, with an overall budgeted increase of over 3.52% from 2016. It's still well under the record highs reached in 2012, but definitely a positive for the Parish as Sales taxes begin to trend back upwards.

In forecasting our Sales tax revenues, whenever we witness large upswings in taxes, we have always put those additional funds towards one time capital projects, such as our newly completed Community Center and our new Emergency Operations Center, both of which would not have been possible without the activity of 2011 and 2012. For the current year however, with Sales tax levels only slightly increase, large capital projects will have to be placed on hold, aside from those related to the Westbank Hurricane Protection Levee – the top priority for the Parish.

The 2017 estimate of sales taxes totals \$29,856,811. This amount was provided to the Parish from the St. Charles Parish School Board Sales Tax Collection office.

#### **Intergovernmental**

Intergovernmental revenues include monies received from other governmental agencies such as federal and state offices. In some cases these funds are dedicated to provide for the operation of a specific program such as job training, Community development programs, etc. For 2016, these funds represent approximately 5.5% of the Parish Governmental Funds total revenue, down 14% from 2016. With the majority of this funding being in the form of FEMA Hazard Mitigation Grants for various Public Works and Emergency Preparedness projects, most of which were completed in 2016, a large decrease is

expected for 2017 as a result of project completions. As these funds are determined by outside sources, i.e. the particulars of which are found in the grant documents/agreements, Intergovernmental revenues can fluctuate from year to year depending on Grant awards.

#### **Charges for Services**

#### Consolidated Waterworks and Wastewater District No. 1

On March 4,1991, in accordance with the provisions of Chapters 22 and 22A of Title 33 of the Louisiana Revised Statutes of 1950, as amended, the Consolidated Waterworks and Wastewater District No. 1 was created by Parish ordinance No. 91-3-2. The District was created to operate, maintain, and administer a combined wastewater and waterworks system within the parish-wide boundaries. The District separates financial reporting of its operations into two funds, the Waterworks Utility System fund and the Wastewater Utility System fund. The district is governed by the same elected Council that governs the Parish and is therefore included in the Parish's financial report as a blended component unit. Both funds of the District are reported as blended proprietary funds. The District does not issue separate financial statements. The District has a fiscal year ending December 31.

#### **Sewer User Fee**

The sewer user fee is estimated to produce \$9.75 million in 2017. This fee provides for capital the operation and maintenance of the sewerage system. The user fee is based upon the amount of wastewater discharged by a residence or business. Only half of the Wastewater rate adjustments recommended by the 2005 and 2006 Wastewater rate studies were implemented and as a the Wastewater system has not reached the full 15% residual needed to be financially sustainable. The Wastewater rates were codified in 2015 after being increased in May. However, in early 2016 wastewater rates were reduced significantly as a result of some revenue being available from the Wastewater Millage renewed by the voters in May of 2015 as well as the addition of a new commercial rate. The domestic rates will again be lowered in 2017 and 2018. The commercial rate is estimated to bring in an additional \$1 million per year in revenues.

Over the past several years, the Wastewater Funds unreserved net assets have depleted significantly which has resulted in a cash shortage for capital maintenance and improvements. St. Charles Parish however was approved for a \$6.5 million, 0.95%, 20 year, DEQ loan in 2011, which has provided much needed funding for significant capital improvement to the Wastewater department, specifically to its two Treatment Plants located on the East and West Bank of the Parish, as well as vital upgrades to six of its major sewer lift stations. As of September 19, 2014, the department has utilized \$6.4 million of the total \$6.5 million, with the remaining \$1.1 million to be utilized in the remainder for 2016.

With the passage of the new Wastewater Facility Millage in 2015, the Wastewater Department will now receive \$1,290,000 annually, which will put the department back on the path of financial sustainability. Expenditures are projected to be higher than revenues again for 2017, but the gap is decreasing each year.

#### Waterworks User Fee

The water works user fee is estimated to produce \$12.5 million in 2017. This fee, along with Service Fees, Collection fees, Delinquent Charges, Billing Fees, as well as Hazard Mitigation grants, will provide for capital improvements and the operation and maintenance of the Water system. The Department of Waterworks is also facing ever increasing regulations and cost of doing business. While the department continues to maintain all water quality standards set by the State of Louisiana and achieve national recognition, additional revenue must be identified to maintain our system. AS a result of the increased rates approved by the council in 2015, which went into effect January 1, 2016, total expenditures for the department are budgeted to be approximately \$1,044,338 under estimated revenues.

#### **Solid Waste Collection and Disposal Fee**

This revenue is derived from the residential solid waste collection and disposal fee. The total revenues from solid waste user fees are expected to be \$3.7 million in the year 2017 and are accounted for in a separate Enterprise Fund (Solids Waste Collection and Disposal Fund). In April of 2014, St. Charles Parish reached an agreement with our Solid Waste Provider to increase their contract by \$1.57 per residential unit. To compensate for this increase, the Parish began a series of two \$.45 cent rate increases in 2016 and will conclude in 2017. Since agreeing to this increase, the number of complaints regarding our provider has decreased dramatically while their quality of service has increased exponentially. The fund balance within Solid Waste remains healthy.

#### **Fund Balance**

Fund balance is defined as the difference between the assets and liabilities of a governmental fund. In the General Fund, fund balance has historically been used as a funding source for recurring operations of the various governmental funds as well as varying amounts for nonrecurring projects.

The 2017 General Fund includes the use of \$8.3 million of fund balance. The 2017 General Fund includes \$3.7 million as a source to provide for capital improvements and capital outlay, \$1.9 million of which are related to the construction of the new District Attorney Office. The projects funded through fund balances are detailed in the Budget Message.

The 2017 Special Revenue Funds (in aggregate) include the use of \$10.1 million of fund balance mainly as a source to provide for capital improvements and capital outlay. Capital Outlay represents approximately 33% of Special Revenue Sources. The primary contributors to fund balance usage are the Parish Transportation Fund, Road Lighting Fund, Roads and Drainage Funds, Recreation, Mosquito Control, Outer Flood Protection System (Levee Fund) and the RSVP Funds.

The 2017 Parish Transportation fund includes the use of \$72,900 of fund balance, or 16% of its fund balance, which is primarily attributed to the 2017 Road Maintenance Program. The 2017 Road Lighting Fund includes is projected to show a decrease of \$558,157 to its fund balance, which is directly attributed the Council and the Administration choosing not to adjust the ad valorem tax in 2016 as a result of reassessment, thus the fund will take in less revenue in 2017. This fund is used primarily as a source to provide for electricity for the street lights throughout the Parish. The 2017 Roads and Drainage Fund, the largest of the Parish's special revenue funds, includes the use of \$6.4 million or 55% of its Fund balance mainly as a source to provide for capital improvements and capital outlay. For 2017, it is estimated that

approximately \$10.3 million worth of capital projects will be started and or completed, on top of the \$28.4 million worth of capital projects expected to be completed by the end of 2016, thus bearing a heavy burden on Roads and Drainage's fund balance. Projects of this size cannot be sustained for much longer unless alternate sources of funding can be acquired. The main options for the Parish, should it continue to ramp up capital projects in its Drainage department would be to go out for a bond issue, but at this point in time, going out for a bond issue for capital improvements is not projected to be a choice, at least for the near future. The Parish wants to maintain a secure enough fund balance in its Special Revenue Roads and Drainage Fund, while still being able to complete capital projects. Over the past few years, capital projects in the Parish has increased dramatically, which is directly attributed to the increase in Sales Taxes witnessed as a result of Hurricane Katrina and most recently due to the large plant expansions that took place within the Parish in 2011/2012. In keeping with the Parish plans for temporary increases, the Parish will continue to only pursue one time capital projects that any additional funds can be best used for. The Parish expects a continuing tapering off of Capital projects in the next few years especially considering the current state of the national economy, which is also why going out for any sort of bond issue to fund significant capital projects is on hold at this time.

The Parish Recreation fund includes the use of \$677,410 or 68% of its fund balance, mainly as a source to provide much needed services to the Parish as well as capital outlay. With Recreation, along with Roads and Drainage utilizing greater than 50% of their own Fund balance to operate their programs, additional funding sources will need to be found or services will need to be cut. As the Recreation department currently has limited funding for Capital Outlay, a transfer of \$1,180,840 from the General Fund to Recreation for Capital Outlay has been budgeted for 2017, but transfers for capital projects every year cannot continue, especially considering the \$754,085 transfer from 2016 that will take place by year end.

The use of fund balance as a source of financing current operations has been both recurring and planned in recent years. Conservative revenue estimates generate a fund balance, which allows the government to spend monies after it is assured of their collection. This philosophy of money management creates a situation that should prevent the need for drastic budgetary adjustments that could result in the severe curtailment of vital services or undue uncertainty and hardship in the workplace. With the percentage of Fund Balance usage increasing from year to year though, alternate sources of funding will need to be acquired or necessary adjustments and cuts will have to be made.

On November 22, 2010, the St. Charles Parish Council adopted an ordinance establishing a minimum General Fund Balance of 5% of total budgeted governmental fund expenditures for the succeeding year be maintained at all times with a base reserve of no less than \$7 million within the General Fund. Included in the 2017 Budget is an ending General Fund Balance of \$12.897 million, which is approximately \$5.9 million over the base reserve.

A breakdown of fund balances by fund type is provided below to highlight the projected changes in fund balances as defined by St. Charles Parish for our governmental funds, i.e. the General Fund, Special Revenue Funds, Capital Projects Funds and Debt Service Funds. See the 2017 projected for each below:

#### **Capital Projects**

As previously discussed, with the increases in sales tax revenue witnessed over the past several years, thus providing additional one time revenues which may or may not have been anticipated, the Parish has thus employed a method of accomplishing one time capital projects via the additional funds collected. The major capital projects by department are listed throughout the budget after each account's budget summary. As there are too many projects to discuss, this area will be devoted entirely to those large one time projects by fund, therefore each project discussed will be broken down by fund below, i.e. General Fund, Special Revenue Funds, Capital Project Funds, and Enterprise Funds. Before explaining the various projects, in order to be classified as a capital project/expenditure, the item in question must fall into one of the 4 categories and meet the following criteria and create a future benefit, i.e. a capital expenditure is incurred when a government spends money either to buy fixed assets or to add to the value of an existing fixed asset with a useful life extending beyond the calendar year. To be classified as a capital expenditure, the item in question must be greater than \$5,000 in value and have an estimated useful life of a minimum of 5 years. Depreciation on all capital assets, excluding land, is calculated on the straight-line method over the following useful lives:

Buildings – 10 to 40 years Improvements Other than Buildings – 10 to 40 years Machinery and Equipment – 5 to 10 years Infrastructure – 25 to 70 years

#### **General Fund Capital Projects:**

For 2017, there are approximately \$3.7 million of Capital Projects budgeted, the largest of which is the new District Attorney Annex Building with an estimated remaining cost including architectural design of over \$1.9 million. The remaining projects for 2017 within the general fund represent the normal year to year projects and thus can be located behind each summary.

#### **Special Revenue Funds – Capital Projects**

For 2016, there are approximately \$20.3 million of Capital Projects budgeted for all Parish Special Revenue funds. The majority of these projects are budgeted in the Parish's Roads and Drainage Fund, which also represents the Parish's largest department, Public Works. The Road's and Drainage Fund accounts for approximately \$10.3 million of the total budgeted capital outlay for the Special Revenue Funds. As significant detail is provided in the budget books on the specific projects this total represents, similar to the General Fund capital projects, specific attention will only be given to the larger projects in this section.

The Road's and Drainage fund is separated into four accounts: Flood Control, Paved Streets, Sidewalks and Crosswalks, and Drainage, with Drainage being the largest. The significant capital projects can be found in Paved Streets, Sidewalks and Crosswalks, and of course Drainage. The largest capital project in Paved Streets is \$600 thousand set aside for 2017 Road Maintenance Contract; the Parish Transportation Fund also has set aside \$575,000 for the 2017 Road Maintenance Program, of which \$500,000 is provided via annual state funding. This program simply represents the numerous road overlay, patching and paving that the Parish performs each particular year. The Sidewalks account has \$3.2 million set aside for the construction of the Westbank Bicycle and Pedestrian Path (Phases IV and V). The largest account – Drainage has \$5.9 million budgeted for capital outlay. The majority of these projects are related to the engineering of the Westbank Hurricane Protection levee, pump station improvements, drainage improvements, and canal stabilizations, with the largest allocation being \$2.5 million for the Riverbend 61 Culverts. For further detail on these projects, please look under the special revenue section of the 2017 Budget book, for narrative explanations of the Capital Outlay.

The Recreation fund accounts for \$2.1 Million of the total \$20.3 million budgeted for Capital Outlay in the Special Revenue Funds. The largest of the capital projects in this fund relates to \$275,000 for IMTT Field Improvements, \$450,000 for a West Bank Boat Launch, \$364,000 for a

Veterans Memorial Park, \$382,300 for Rathborne Phase II, and \$250,000 for the West Bank Concession Stand relocation.

Due to the approval of the Parish residents in May of 2015, a new Special Revenue fund was added for 2016 titled the Flood Protection Fund, which relates to the construction as well as maintenance and operation of the Parish's Levee system. This fund is setting aside \$6.8 million for the Levee construction.

#### **Capital Projects Funds – Capital Projects**

For 2017, there are approximately \$550 thousand of Capital Projects budgeted for all Parish Capital Projects Revenue funds. The majority of this amount is attributed to capital outlay in the Recreation Facilities Construction fund for park improvements to Bayou Gauche, Boutte, Hahnville, Destrehan and St. Rose Parks. These capital projects fund consist of funds collected from residents and or developers and the funds collected can only be used in the particular area where they were collected and for the specific projects they were collected for, in this case, park improvements in the areas mentioned above for the Recreation Facilities Construction fund.

#### **Enterprise Funds – Capital Projects**

The capital projects for 2017 within the enterprise funds represent the normal year to year projects that are pursued by the Waste Water and Water Works departments, and thus can be located behind each fund's narrative capital summary.

#### **Departmental Information**

#### Animal Control

The St. Charles Parish Department of Animal Control is in charge of maintaining and monitoring the animal population throughout the Parish. On a daily basis, it maintains the animal shelter and cares for the resident animals, which range from feeding to adoptions. The Department also educates the public on animal care and enforcement of parish ordinances. It also investigates and follows through with reports on animal cruelty, abuse, strays, and unwanted animals. The animal shelter is cleaned and disinfected on a daily basis to control disease.

The biggest challenge facing the department is trying to accommodate the rise in the animal population within a growing parish. The department has met that challenge with the construction of a larger, state of the art animal shelter which was completed in April 2012. A new generator was also completed in 2016, which will greatly assist the department, especially if the Parish witnesses a rough storm season.

#### Community Services

The Department of Community Services is committed to supporting individuals and families in St. Charles Parish through caring service. We are committed to the development and delivery of quality programs while preserving the dignity and potential of every person.

In collaboration with our community partners we provide programs and services that serve as a safety net for struggling families throughout St. Charles Parish. We will respond to the needs of residents to alleviate pain and suffering, improve the quality of life, to offer options for change, and to break the cycle of poverty.

Its mission is rooted in service to the community and is characterized by programs and services that are responsive to the needs identified through a comprehensive intake and assessment process.

As a Community Action agency, the Department of Community Services works through a partnership with the Louisiana Association of Community Action Programs (LACAP). The objectives of this department are the operation of non-institutional and non-sectarian social action programs pertinent to the provision of the following:

- Assistance to the poor and vulnerable populations in our community
- Self-development opportunities
- Housing improvements
- Educational and social services support

#### **Community Service Department Program Descriptions**

#### **Home Energy Assistance**

Entergy, Atmos and share the warmth funds are available to parish residents to assist them with home utility bills. Program guidelines are established by the State of LA.

#### **Emergency Assistance Programs**

Services are designed to provide emergency aid of a temporary nature to low income and unemployed families. One time assistance with food, medicine, clothing, temporary shelter or rent/mortgage is available through this program.

#### **H.O.M.E Program**

HUD program designed to assist low income and elderly homeowners with home repairs. Applicants must be qualified under HUD guidelines.

#### **Emergency Home Repair Program**

Program provides support for emergency home repairs for elderly, low income and single head of household. Repairs are limited to \$5,000.

#### **Weatherization Program**

Minor energy conservation repairs provided to low income families. This can include air sealing, weather stripping, attic insulation etc. Income and participation guidelines are established by federal and state funding agencies.

#### **Summer Food Service Program**

The department provides lunch for children 18 and under and disabled adults who attend an accredited school in St. Charles Parish at designated sites throughout the parish for six weeks.

#### St. Rose Community Center

Neighborhood drop in center located in the Preston Hollow Subdivision providing community based services. Programs include afterschool activity center, computer lab, and specialized programs for citizens of St. Charles Parish.

#### Communications District (911)

The 911 Communications Center is a Public Safety Answering Point (PSAP) and dispatch center providing the residents of St. Charles Parish a vital link to emergency response personnel from medical, fire, and sheriff's office services.

## Contract Monitor's Office – Office eliminated, all functions are now under the Department of Public Works.

The Office of The Contract Monitor is responsible for monitoring the contracts for Solid Waste, Recycling, Mosquito Control and Street Lighting. The office was absorbed into the Parish Public Works department in early 2012. Each division of the Contract Monitor, now Public Works, is listed below:

#### Solid Waste (Enterprise Fund)

The office is responsible for the Solid Waste and Garbage Collection Fund. The department oversees and performs the following duties:

- Receiving complaint/request phone calls from parish residents
- Receiving parish website requests, reply to residents

#### Council Office

The Parish Council Legislative Staff, which consists of the Clerical Division and the Records Division, presently serves in a dual capacity assisting the Council Secretary who serves directly under the Parish

Council as it functions as the Governing Authority and assisting the Individual Members of the Parish Council as they serve their electorate.

The Legislative Staff coordinates meeting agenda activities, and Journals of Proceedings; initiates Official Journal selection and coordinates all follow-up printing and publication requirements; processes ordinances and resolutions; coordinates committee meetings and board and agency meetings; administers a comprehensive records management system; drafts legislation; makes travel arrangements; coordinates orientation and training for elected/appointed officials and Council Staff; prepares Council budgets; coordinates Board of Review activities; prepares codification of legislation; prepares calendar of meetings, activities, and events; coordinates all Board/Committee appointments/confirmation questionnaires; process work request forms/follow-up; assist with reapportionment and election process; process expense forms.

The Parish Council Office continues In House Cross Training, scanning Records Department Documents, implementing Insite Program from Granicus (Daystar), and updating Website and Channel 6 using Carousel and Cablecast. The biggest Challenge that faces the Council Office is trying to establish a paperless environment with the Council Meeting Agendas, Weekly Packages, etc.

#### Council on Aging

The ST. CHARLES COUNCIL ON AGING, INC. is a private non-profit corporation serving as the area agency for St. Charles Parish. It is the responsibility of this agency to administer a comprehensive and coordinated service system which provides the kinds and levels of services needed by the elderly and to seek adequate resources for those services.

ST. CHARLES COUNCIL ON AGING, INC. is governed by a 13-member volunteer board of directors. A paid staff supervises and administers the services provided by the Council on Aging. There are no fees for services; however, contributions from participants are used to increase services.

A 21-member advisory council is responsible for planning and evaluating services. The ST. CHARLES COUNCIL ON AGING, INC. Area Agency on Aging provides services without regard to race, color, national origin, religion, sex, political affiliation or disabilities. ST. CHARLES COUNCIL ON AGING, INC. is an Equal Employment Opportunity Agency.

The assistant to the director has been designated to coordinate efforts to comply with Section 504 of the Rehabilitation Act of 1973.

#### Department of Economic Development

The Department of Economic Development & Tourism administers, develops, manages, implements, and promotes industrial development, community development, and business development programs; develops, coordinates, and maintains statistics and information relating to population, employment and trends; initiates economic development policy recommendations for the parish council. The department also serves as a liaison between the parish council and administration and other local, state and federal

agencies in matters regarding the economic development of the parish, and local organizations, and with individual members of the business and industrial communities in the parish.

The department promotes and develops tourism, initiates and recommends tourism projects for approval by the parish council, implements tourism projects initiated by the parish council, works with state and federal agencies in promoting tourism by advertising and seeking tourism funds.

The department serves as a liaison with the River Region Chamber of Commerce, the Economic Development Council of St. Charles Parish, the South Central Planning & Development Commission, the Port of South Louisiana, the St. Charles Parish Industrial Development Board, the Louisiana Workforce Commission, St. Charles, St. John, St. James Business and Career Solution Centers, the St. Charles Business Association, and the Small Business Administration.

The department provides necessary personnel with the consent and direction of the parish president to accomplish its purpose along with other duties as may be directed by the parish president

#### Department of Emergency Preparedness

The Department of Homeland Security and Emergency Preparedness is responsible for maintaining written plans for the preparedness, mitigation, response and recovery of any terrorist act, natural or technological disaster that may occur in St. Charles Parish.

Furthermore, the department is responsible for coordinating the plans and operations of the various emergency response agencies such as fire, police, emergency medical services, public works, volunteers, and other groups that respond to emergencies.

The department is also responsible for building St. Charles Parish's emergency plan as a part of a national incident management system capable of responding not only to local or regional emergencies, but also to national security emergencies such as a nuclear attack.

#### Department of Finance

The Finance Department assists the Parish President in preparing and executing the parish budget and capital program. This department, which was created by the Home Rule Charter, is also responsible for disbursement of all funds in the parish treasury, preparation of monthly and annual financial reports and maintenance of records of parish indebtedness.

#### Grants Office

The mission of the Grants Office is to actively pursue grant funding, as well as manage existing grant agreements for projects and programs for St. Charles Parish. Actively pursuing grant funding involves researching all leads on grant funding for feasibility and applying for and securing grants to help fund Parish projects and programs. Managing existing grant agreements involves ensuring that the Parish adheres to the terms of the grant agreements by monitoring the status of the project or program, working closely with the department personnel involved with the project or program, completing status reports,

submitting requests for reimbursement, as well as completing other reports necessary to close-out the grant following the completion of the project or program.

#### Department of Government Buildings

The Department of Government Buildings is responsible for the daily maintenance and clean up of all Parish buildings outside of Special Revenue and Enterprise fund buildings, which are handled separately by those departments, i.e. Government Buildings only focuses on buildings and grounds under the General Fund. The primary building under this department's charge is the Parish Courthouse. This department helped supervise the demolition of the 3<sup>rd</sup> floor courthouse jail to create much needed office space for courthouse personnel, and once funding can be secured, this department will play a vital role in overseeing the completion of this much needed office space.

#### Legal Services

The Department of Legal Services for St. Charles Parish is an administrative department created by the Home Rule Charter. The Legal Advisor is appointed by the Parish President and must be confirmed by the Parish Council.

The duties of the Department of Legal Services are very diverse. It represents all departments of the Parish government and is called upon to answer question and as problems arise. The largest work loads are supplied by the Departments of Planning and Zoning and Public Works/Wastewater.

The Legal Advisor must attend Council meetings and be prepared to answer questions as they arise at those meetings. He also attends most planning and tactical meetings and responds to legal questions and prepares documents that assist in the execution of the plans and projects. The Department also approves the forms and substance of bid documents and contracts and on questionable bids gives opinions to the appropriate Department.

The Department of Legal Services is charged with the prosecution and enforcement of Planning and Zoning Ordinances and after Judgments are rendered, for the execution of those Judgments. That entails making Court appearances for as many times that may be necessary to terminate the effects to the public of the offense.

The Department is charged with defending the Parish in the Courts whenever litigation is brought against it. This always involves making and coordinating efforts to bring matters to settlement or trial in the most efficient way. Part of that duty might involve attorneys who have expertise or experience in legal areas where none exists locally.

A multitude of events affecting the Parish occur daily and many communications in different forms, mostly questions and some comments from citizens. The Department views these as excellent opportunities to be used as educational opportunities for the public and does its diplomatic best to respond with sensible explanations.

#### Information Technology and GIS

In 2015, the Technology Office continued supporting the different Parish offices, as well as, Council. With expansion continuing to take place and offices being relocated for more efficient operations, the

Technology office was involved in providing technology services to these various locations.

Technology Achievements 2015:

- Installed IP phones at various departments and integrated with the courthouse phone system
- Assisted both the District Attorney's office, as well as, Clerk of Court
- Converted to new COX Communications Service for Internet and Metro E
- Supported parish employees through the helpdesk
- Maintained Remote Backups of All Critical File Systems
- Used Remote Access (WebEx) in our day to day operations

As the Parish continues growing, The Department is confident that 2016 will be just productive as 2015. The direction with which the Technology staff is heading continues to make the department feel very confident in its efforts to support St. Charles Parish.

The GIS efforts outlined in this budget narrative support the anticipated operations of the various GIS projects currently underway. We have completed the preliminary survey of the waterworks infrastructure with the help of the waterworks department. Our focus will be to complete the database and develop user applications for use of planning, repairing and maintenance of waterworks infrastructure. We will continue the same efforts in Drainage and Wastewater and anticipate finalizing data acquisition for the Comprehensive Drainage Plan for Destrehan in January of 2013. The department has also provided extensive support in the Parish hurricane protection levee planning and initial phases of construction.

Budget: The personnel category supports the GIS Coordinator and two new GIS positions, a GIS Analyst and a GIS Field Operator. Travel supports the costs of fieldwork, training and travel to San Diego, CA for the annual International GIS Users Conference. Supplies, Equipment and Operating Services cover material and expendable costs associated with vendors and data providers. The GIS efforts outlined in this budget narrative support several of GIS projects currently underway. These projects include the Street Signs GIS database, Parcels GIS database, Drainage GIS database, Wastewater GIS database, Waterworks GIS database, Zoning and Land Use GIS database. The department will continue to provide support to Public Works projects and the Emergency Operations Center and will develop a Disaster Management Database to support emergency response in the event of a disaster.

#### Parks and Recreation

The Parks and Recreation department offers a large variety of recreational activities for youth, adults, and seniors. Recreational youth and adult activities include, but are not limited to Baseball, Softball, All Star Competition, Challenger Baseball, Shooting Star Basketball, T-Ball, Volleyball, Basketball, Football, Cheerleading, Soccer, Tennis, Track, Summer Camp, Radio Controlled Race Track, Multi-use Path's, Spillway Camp Permits and Park. Senior activities include, but are not limited to, Bowling, Horse Shoes, Bocce, Pickle Ball, Oil Painting Classes, Casino Trips, and Community Center Field Trips. Our Special Athlete's program has enjoyed tremendous growth over the last three years with activities including T-Ball, Bowling, Swimming, Track and Field, Shooting Stars Basketball, and Challenger Baseball. The Parks and Recreation Department works in conjunction with nine booster clubs around St. Charles Parish to facilitate our youth sports programming. We have an Organized Team Sports representative from each booster club to assist with programming, registration, uniform ordering and distribution, and field maintenance.

The Parks and Recreation department currently maintains an inventory of 51 park sites that are located throughout the Parish; these sites include sport fields, multi-use fields, multi-use paths, playground equipment, boat launches, pavilions, tennis courts, basketball courts, and concession stands and restrooms. The department maintains 313 acres of land at these parks, which include, grass cutting, weed control, and control, maintaining and upgrading of existing structures and facilities, and preparation of athletic fields for our sports programming.

The department's milestones over the last three years have included: an expanded program for children with disabilities, volleyball, Wetland Watcher's Park, Rathborne Park, pavilion addition at Monsanto Park and the West Bank Bridge Park, and beautification projects at West and East Bank Bridge Parks.

The challenges over the next five years will include: sustaining and enhancing within our current budget, controlling operational and maintenance costs, hiring and retaining employees, adequate gym space as our programming continues to see growth, and securing land for future growth.

#### Personnel Office

The Personnel Office is comprised of a Personnel Officer and staff to support the Civil Service Board, administration of the Civil Service Rules and Regulations and compliance of the personnel system. The Personnel Office employee responsibilities include the employment process of recruitment, testing/qualifying applicants for consideration for employment, pay plan administration and job description maintenance. Additionally, employee benefits administration, employee relations and parish civil service system administration are handled by the employees of this office. The head of the office acts as an advisor to the employees and parish administration on all human resource issues, and as Secretary to the Civil Service Board. The employees of this office monitor and enforce all rules in accordance with Parish Civil Service, Administrative Policy and State and Federal laws.

#### Planning and Zoning

The St. Charles Parish Department of Planning and Zoning has the responsibility to regulate present and future land issues in the parish as sanctioned by the parish charter.

With this edict, the department always strives to never lose sight of the fact that it has an overriding goal, or mission, to balance the public interest with individual needs to create a quality living and working environment through effective land use and management.

The Department of Planning and Zoning consists of four program divisions covered under three budgets. The Planning and Zoning budget covers department tasks associated with future land use analysis; zoning analysis for subdivision, rezoning, occupational licenses; commercial and residential permitting; and amendments to the Parish Code of Ordinances related to those issues. This budget also funds code enforcement for the parish as it relates to general nuisances and zoning violations. The Planning and Zoning budget serves to support both the Planning and Zoning Commission and the Zoning Board of Adjustment which are appointed boards tasked with holding public hearings on land use cases, zoning cases and on permit appeals. The parish recently adopted a new 20-year comprehensive land use plan "St. Charles 2030" which will require the department to draft regulatory changes in the coming years to meet the policy guidance outlined in this document.

The Coastal Zone Management budget supports the Coastal Zone Advisory Committee who are tasked with reviewing and making recommendations on coastal permitting applications and advise on coastal restoration projects within the parish. This division also manages construction and seeks funding for coastal restoration projects in the parish, advises on parish wetland issues and administers the National Flood Insurance Program (NFIP) for the parish providing support to our permit section and code enforcement on floodplain issues.

The ICC Building Codes budget tasks our permitting and enforcement divisions with ensuring compliance with the International Construction Codes for residential and commercial construction in the parish. The parish contracts services with South Central Regional Planning and Development Commission for building code plan review and inspections.

#### **Public Information**

The St. Charles Parish Public Information Office is tasked with informing the public of government activities and progress in an efficient, productive and aesthetically pleasing way. The Public Information Officer also acts as full-time parish spokesperson and media liaison, communicating with the media and public on behalf of the emergency operations center during emergency situations. Projects undertaken by the office on a daily basis include, but are not limited to: Writing press releases, putting together speeches for members of the executive staff and directors, taking photographs of parish projects and events, updating and maintaining the parish website and social media, producing advertising collateral and brochures, and maintaining and producing video content for the government access channel.

The office also produces a yearly magazine-style annual report mailer, public information bulletin and monthly in-studio talk show. It also helps in planning and publicizing special events, such as Trash Bash, the annual Independence Day Celebration and more. Public Information also assists all other parish departments with any tasks related to public information and media management.

#### Public Works - Roads and Drainage

The mission of the St. Charles Parish Public Works Department is to provide the best possible roads and storm drainage systems to ensure the safety and security of parish residents and their property.

The Department has 182 budgeted employees who are dedicated to providing services in the most safe, reliable, efficient manner at a minimum cost to the citizens of St. Charles Parish.

#### Operations and Maintenance – Roads, Drainage, Grass Cutting and Special Project Crews

Public Works maintains and improves critical parish wide infrastructure such as roads, the storm water pumping network and grass cutting on parish property and right of ways. Over 213 miles of roadways of varying surfaces such as concrete, asphalt, and limestone are maintained. Public Works also maintains 52 drainage pump stations, 105 miles (55 miles in the Sunset Drainage District) of major conveyance canals, and 390 miles of drainage ditches/sub-surface drainage.

 Public Works has 8 road crews, 4 crews on each side of the river, normally consisting of 5 employees in each crew. The daily activities of these crews consist of cleaning and re-digging of ditches, cleaning culverts, replacing damaged and/or undersized culverts, repairs of roadways, trimming of trees and other various maintenance activities.

- Public Works has 4 carpenter crews, normally consisting of a carpenter and a helper that work
  parish wide to repair and replace damaged catch basins and replace driveways associated with
  culvert replacements.
- Public Works has a grass cutting crew on each side of the river that normally consists of a lead person, 4 to 6 tractor operators, groundskeepers and laborers. Grass cutting is carried out on a revolving cycle approximately 10 months of the year.
- Public Works also has 6 drainage crews, 3 on each side of the river, normally consisting of 2
  employees in each crew. The daily activities of these crews are to maintain approximately 131
  drainage pumps in top operating order and maintain the stations and grounds surrounding the
  Parish's 52 pump stations.
- Public Works also staffs a projects crew that consists of a foreman, operators, and laborers to clean the major drainage canals, perform heavy lifting of equipment and pumps and to assist special project work.
- In 2014, Public Works processed seven thousand nine hundred twenty six (7,926) work orders. Of these work orders the drainage, pump maintenance, and road crews completed seven thousand seven hundred sixty six (7,766) work requests. This is a ninety-eight percent (98%) completion rate. The Department continues to follow up on all open work orders to either re-issue or cancel the order due to circumstances not allowing completion.
- In 2014, Public Works engineering staff processed and approved thirty two (32) commercial developments and no residential subdivisions. All were reviewed in accordance with St. Charles Parish Code for compliance.
- The Department issued thirty three (33) culvert permits for property access.

#### **Capital Project Management**

Public Works performs project management for all engineering and public bid contracts issued by the Department. Public works also assists other separate departments with project management services for some of their larger projects. Our focus is to establish a well-maintained and future oriented infrastructure with emphasis on effective drainage and cost effective use of the department's financial resources.

The Public Works Capital Management Team consists of the Director, Assistant Director and Superintendent of Public Works, the Assistant Superintendent of Drainage, 3 Engineers, 4 Project Inspectors and 2 Accountants. The team is assisted by the Parish's Legal, Risk Management, and Grant Departments along with various other support personnel.

Public Works has successfully managed over 101 million dollars in capital projects since 2008:

• 63.5 million dollars in Drainage projects;

- 7.4 million dollars in Wastewater projects;
- 17.6 million dollars in Road projects; and
- 12.8 million dollars in projects for other various Parish departments.

#### **Purchasing**

The Procurement Office of St. Charles Parish shall have two major goals. The first goal is a responsibility to St. Charles Parish Personnel to procure necessary items and equipment as they are needed. The second goal is to protect the investment of the taxpayer by procuring quality items at the best possible price within the guidelines of the Louisiana Public Bid Law and the Parish Procurement Procedures.

#### **Related Objectives**

- 1. To maintain procedures that will ensure that both quality and price are considered in the procurement process;
- 2. To set up a purchase order system that will serve as a contract between the Parish and vendors assuring that the Parish will receive the quality and quantity of materials ordered while assuring the vendor of satisfactory compensation;
- 3. To maintain procedures that will ensure that materials received meet the specification as outlined in the purchase order and that those materials are in satisfactory condition;
- 4. To maintain procedures that will ensure the prompt payment for materials that have been received in proper order;
- 5. To maintain appropriate lists of eligible vendors, both local and out-of-parish;
- 6. To maintain procedures for obtaining quotes and bids that will assure the best prices available for specified materials and also guaranteeing that State Bid Laws and Parish Procurement Procedures are followed;
- 7. To maintain records to adequately support that the Parish Procurement Procedures are being followed.

No purchase order will be issued without a properly executed requisition form, except under emergency situations. If the requisition form is not filled out properly, it will be returned for proper execution.

#### Retired and Senior Volunteer Program (RSVP)

RSVP (Retired and Senior Volunteer Program) is a network of national service programs that provides older Americans the opportunity to apply their life experience to meeting community needs. RSVP volunteers serve in a diverse range of nonprofit organizations, public agencies, and faith-based groups.

#### Risk Management

Risk Management is the practice of protecting an organization from financial harm by identifying, analyzing, and controlling risk at the lowest possible cost." Risk Management is an ongoing process of identifying exposures, measuring them against the Parish's loss withstanding capabilities, and the

handling of risk with appropriate control, transfer and financing techniques. The St. Charles Parish Risk Manager has eighteen years of experience in Government Entity Risk and is a certified OHST (Occupational Health & Safety Technologist) by the American Board of Certified Safety Professionals, a CRM (Certified Risk Manager) by the National Alliance for Insurance, a CIC (Certified Insurance Counselor) by the National Alliance for Insurance, and one course certification from a CWCP (Certified Worker's Compensation Professional) by the Louisiana Association of Self Insured Employers.

Risk Management functions include evaluating risk continually, providing written recommendations to the Administration and Department Heads, consulting with various departments on insurance coverage, analyze and trend losses from accidents to pinpoint corrective action to prevent recurrences, appraise Parish property for insurable values using National Software Marshall and Swift(saving the Parish tens of thousands of dollars because it's done in house), monitor and oversee insurable lawsuits until settled or closed. Risk Management is responsible for all SIR (Self Insured Retention) Fund and In House Loss Fund (absorb expected losses vs. insuring them saves money), investigates and mitigates all accidents (auto liability, property damage, & general liability, worker's compensation) and handles all claims start to final resolution on first and third party claims. The Safety activities include sending out weekly safety topic meetings, streets and roads and park inspections, on site for large and/or deep excavations involving Parish employees, assure proper personal protective equipment.

#### Wastewater

St. Charles Parish Department of Wastewater maintains approximately 343 lift stations, 314 miles of sewer lines, two mechanical treatment plants, and one oxidation pond. These treatment facilities have a capacity of 9.3 million gallons per day. The Wastewater Department prepares and submits a variety of monthly, quarterly, semi-annual and yearly reports as required by state, and federal agencies for these treatment facilities. The Department establishes and maintains databases for all pertinent information regarding plant records including, but not limited to, analytical results, flow measurements, overflows, etc. The Department also prepares and updates departmental environmental plans, i.e. Best Management Practices, Storm Water Pollution Prevention Plan, as required by state and federal agencies. All wastewater employees training and state certification must be tracked and kept up to date to ensure compliance.

Office Personnel duties include answering telephones responding to business and constituent requests such as inquiries, sewer leak adjustments, pool credits, complaints, inspections, and locations of sewer taps. Daily duties handled are work orders, and monitoring and generating radio complaint and other calls to field employees. Purchase requisitions are generated and maintained by matching and forwarding of dray tickets and routing invoices and files pertaining to these. The Department does research for sewer permit requests as to availability and subsequent purchasing of permits. The Department works with Waterworks in the generating of credits, sewer availabilities, irrigation meters, and recording of new sewer connections. Wastewater keeps personnel files for our employees generating and maintaining records for Time Sheets sent to courthouse, CDL records, absences, vacation scheduling, vaccinations, and other pertinent information needed by Wastewater. Travel arrangements for training are handled for our own department as well as appointments and other miscellaneous duties.

The Wastewater Field Foremen's generate work assignments for the day. They supervise problem jobs, handle employee issues, generate purchase requisitions, and order equipment and supplies. They also

maintain various records in accordance with these duties. They and the field employees maintain the sewer lift stations, handle residential complaints by finding problems with lines using sewer cameras, digging up and repairing sewer leaks, marking requests for LA ONE CALL, and handling overflows, and installing sewer lines. Periodically they also work with contractors working on sewer projects. A 24 hour on-call crew, including a supervisor, handles emergency complaints in conjunction with E.O.C. after hours. All plant and field employees are required to do maintenance and preparatory jobs needed during emergency situations such as hurricanes. All vehicles and equipment are to be generally maintained with minor repairs done.

#### Waterworks

St. Charles Parish Department of Waterworks has two surface treatment plants (East and West Banks) treating Mississippi River water for use by the entire parish. On average the department produces 3.2 billion gallons of water annually. The Distribution Maintenance crews are responsible for the maintenance of approximately 350 miles of piping and 2200 fire hydrants to provide potable water and fire protection to the residents of St. Charles Parish. Our Meter Readers annually read over 267,000 meters and this information is used by our Billing personnel to produce nearly 21,000 monthly bills, including sewer and garbage charges. The money from these bills is collected by our Customer Service staff and the money is used to for the operation of the Waterworks, without any sales or property taxes.

#### Workforce Investment Act (WIA)

Our WIA offices are government by the "Workforce Investment Act of 1998." This legislation provides the framework for a unique national workforce, also, a workforce that can be prepared through our system. At the St. Charles Parish office, we meet the needs of job seekers and those who want to further their careers. The St. Charles Parish office offers the following services at no cost to the citizens:

- Information about local, state and national labor market
- Job listings
- Hiring Requirements
- Job Referrals and Placement
- Quality Education and Training
- Testing and Assessment
- Job search and skills

In addition, our other services for Employers include:

- Recruitment and prescreening of qualified applicants
- Easy access to post job openings in our "LAVOS" Job Bank.
- Job and industry growth trends and forecast
- Wage data and other valuable labor market information
- Compliance information on Federal Legislation (i.e. Americans with Disabilities Act)

It is true that, in theory, not much has changed. Our goal has remained the same. We still want to do all that we can to create and develop a system of services for individuals to become self-sufficient. In addition, we want to better train job seekers in order that they may retain employment.

Unfortunately, our budget situation has changed and we are charged with providing the same level of services with half of the amount of funding and staff.

Without a doubt, our system is faced with real challenges. Locally we have already had to do what the state just now has to do. We have cut back on spending, asked eligible employees to retire and even had to lay off employees.

On a brighter note, we do have some highlights in our offices. We continue to meet and exceed state goals set for the area. We also partnered with other agencies in our system, working, closely with each other to streamline services. Another bright spot is that we have a strong regional Business Service Presence; we reach out to businesses to meet their needs as well as the needs of jobseekers.

The below information represents the current goals and accomplishments of the current administration and will serve as a guide for all readers of the 2017 budget for the Parish of St. Charles. For more details about parish activities, see www.stcharlesparish-la.gov/government/parish-president/department-reports.

#### **Mission Statement**

Our mission is to provide high quality, efficient services to sustain and enhance the quality of life for all residents of St. Charles Parish.

#### Goals

- To expedite the construction of a West Bank hurricane protection levee.
- To create responsible, accessible and responsive government that has sound financial and administrative practices.
- To establish a well-maintained and future-oriented infrastructure with emphasis on effective drainage.
- To reestablish a healthy General Fund balance well above the mandated base reserve of \$7 million.
- To establish predictable, compatible land uses through zoning and comprehensive planning.
- To develop a comprehensive parks and recreation program that provides an array of services for all citizens.
- To build a diverse economy with the ability to sustain during economic changes.
- To promote a parish that is safe, environmentally conscious and provides cultural and aesthetic enjoyments.
- To develop a work place that attracts and retains committed, self-directed and creative team members as its workforce.

#### **Accomplishments**

#### ANIMAL CONTROL

- Shelter staff members were trained on how to shoot professional portrait-style photos of adoptable animals through a grant from the Shelter Art Foundation. The photos have helped increase adoption rates.
- In 2015, Animal Control Department has 482 successful adoptions from the shelter.

#### **BUSINESS AND CAREER SOLUTIONS CENTER**

- The River Parishes Business and Career Solutions Center exceeded state performance measures in seven out of eight categories.
- The center provided job support services for 9,126 adult and 15 youth participants in 2015.

#### **COMMUNITY SERVICES**

- The Department of Community Services served 1,003 families in 2015 with 74 percent of those returning clients and 26 percent new clients.
- The Killona Community Center was constructed and will be serving the youth and adult population of that community with a drop-in program, computer training and more in 2017.

#### **CONTRACT MONITOR**

- All streetlights along Ormond Boulevard in Destrehan were replaced with LEDs, which are more
  efficient and cost-effective.
- Through October 2016, the Contract Monitor's office fielded 3,430 total calls for service related to solid waste pickup, with 7,897 cubic yards of construction and demolition debris removed.

#### ECONOMIC DEVELOPMENT AND TOURISM

- Average annual wages in 2015 for workers in the top 10 economic sectors in St. Charles Parish was approximately \$97,000.
- Local employers announced approximately \$2.3 Billion of local capital investment in 2015, which is expected to generate an estimated 175 permanent and over 4,000 construction job opportunities for local residents.

#### **EMERGENCY OPERATIONS CENTER**

• The EOC received a national certification through the Emergency Management Accreditation Program through cooperation with contributing local agencies.

#### GEOGRAPHIC INFORMATION SYSTEMS

• In 2016, the Geographic Information System (GIS) office conducted new high-resolution aerial photography, Light Imaging Detection and Ranging (LiDAR) and bathymetric surveys to support the appeal process of the FEMA digital flood insurance rate maps. This work also aids in the identification of potential drainage issues throughout the parish. The new data allows the parish to create more sophisticated tools and analysis, which is useful for decision-making.

#### GOVERNMENT BUILDINGS

- Courthouse security and access controls were completed in conjunction with the St. Charles Parish Sheriff's Office and EOC.
- In progress and completed building projects include the renovation of the old Madere's Garage building in Hahnville, the renovation of the third floor of the courthouse for administration and council offices, the installation of an emergency generator at the St. Charles Parish Animal Shelter and the Killona Community Center building.

#### INFORMATION TECHNOLOGY

- Parish government data and voice services were switched from AT&T to Cox at a cost savings.
- The telephone system was migrated from Avaya to Mitel IP.

#### LEVEE PROTECTION

- The parish completed construction of Phase I of the 2.2-mile Willowridge reach of the West Bank Hurricane Protection Levee in 2015. Construction is beginning on the reach's tie-in to the Davis Diversion Guide levee and the Willowridge Pump Station.
- The 2017 parish budget includes \$7.1 million for levee work. Voters approved a new 30-year, 4-mill property tax to fund construction, operations and maintenance of the parish's outer flood protection system.
- Work continues on all other levee reaches, with the Ellington reach beginning construction in 2017.
- The federal West Shore levee, which will protect the community of Montz on the East Bank has been given final approval and is awaiting funding by Congress.

#### **PERSONNEL**

• St. Charles Parish's Wellness Committee coordinated wellness checkups for parish employees to help decrease health insurance premium costs in the future.

#### PLANNING AND ZONING

- The Parish Council approved the first phase of the parish's zoning code update, which now allows a special permit for accessory dwelling units.
- The first-ever St. Charles Parish Coastal Master Plan is awaiting state and federal approval. The plan allows for more local control of the parish's wetland and coastal resources.

#### **PUBLIC WORKS**

#### **Projects Under Construction**

- Primrose Canal Road Crossing Improvements (Luling): \$1.9 million
- 2016 Road Maintenance Program: \$1.3 million
- Ormond Boulevard Overlay (Destrehan): \$2.3 million
- Mimosa Drainage Improvements (Luling): \$735,156
- Dunleith Canal Stabilization Phase V (Destrehan): \$1.1 million
- Randolph Pump Station Automatic Bar Screen Cleaners (Des Allemands): \$770,450
- Emergency Pump Station Generators (4): \$218,822

#### RECREATION

- New fitness stations have been installed around the walking track at both the West and East Bank Bridge Parks through the United Way of St. Charles.
- The youth basketball program partnered with the New Orleans Pelicans to provide participants with uniforms and membership in the Junior National Basketball Association, among other benefits, at a discounted rate.

#### RETIRED AND SENIOR VOLUNTEER PROGRAM

- St. Charles Parish boasts 274 enrolled volunteers who served 80,165 hours. This is equal to \$1.849.408.86 worth of services.
- RSVP members spearhead local Martin Luther King Jr. and 9/11 Days of Service, collecting 400 books for local children and 2,600 servings of sports drinks for military service members.

#### WATERWORKS

- Waterworks recently won a water fluoridation quality award from the U.S. Center of Disease Control, representing two of only four water systems in Louisiana to be recognized.
- Engineering began on the refurbishment of the West Bank "B" plant clarifier, which was constructed approximately 50 years ago.

#### WASTEWATER

- Voters approved a 30-year, 2.2 mill property tax renewal to support Wastewater infrastructure upgrades. As a result sewer rates were actually lowered in 2016 and will again be lowered in 2017.
- Fully utilized the \$6.5 million, 0.95% DEQ loan for vital Wastewater Improvements and received word that the Parish will receive an additional \$8 million DEQ 0.95% loan for further sewer improvements. The principal and interest from this new loan will be paid from the new Wastewater Facility Millage.
- Upgrades to the CC1 lift station in Destrehan were completed, as well as fixes to major points of infiltration in St. Rose.
- Primrose project nearing completion for 2016/early 2017.

St. Charles Parish School Board Comprehensive Annual Financial Report - Statistical Section.

Note: Property of St. Charles Parish is reassessed once every four years on average. The parish assesses property at approximately 10 percent of the actual value of all types of real and personal property. Estimated actual taxable value is calculated by dividing taxable assessed value by this percentage. Tax rates are per \$1,000 of assessed value.

<sup>&</sup>lt;sup>1</sup> Includes tax-exempt property.

<sup>&</sup>lt;sup>1</sup> All General Obligation Bonds are secured by Ad Valorem Taxes.

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the parish. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of St. Charles Parish. This process recognizes that, when considering the government's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.
