

Planning and Zoning

To whom it may concern:

I reside in Evangeline Estates at 161 Westover Lane in Montz. Although I am aware that development has to continue to grow in order to keep St. Charles Parish growing, I am greatly concerned that the existing homeowners are not being treated fairly. I oppose running any through streets through my dead-end subdivision. I have 3 young children, as well as many other Evangeline Estates residents. I purchased land here because of the low traffic streets. I also have major issues with drainage problems due to the extra water flow through Country Cottage into our subdivision. We have also filed a petition to install subsurface drainage in our "so called swales." I feel concrete enclosed culverts will help water flow a lot faster if we have to take on other neighboring subdivisions. Thank for your time and consideration.

Sincerely,

Shane Schulin
