

Figure 1

**Legend**

- Campo Designs/Architects
- 📍 Ditch No.
- 🏠 Sherry Jay Properties

Note: Provide access to proposed concrete channel at discharges of one or more of the three culverts that were recently installed.

Note: Provide safety fence or other protection along channel.

Note: Width of channel bottom shall be sized to accommodate a Bobcat loader/backhoe for future cleaning.

Existing Box Culvert

Concrete Line Channel

Transition from concrete channel to grass swale.
