Subject: Resignation as Vice Chair – River Parishes Transit Authority (Effective February 1, 2026)

Team,

I mentioned it briefly to a small group after our last session on November 14th, but wanted to follow up with a formal email to the group.

I will be stepping down as Vice Chair and resigning from the River Parishes Transit Authority **effective February 1, 2026**, to pursue other ventures.

I have thoroughly enjoyed my time serving on the board over the last five years and am grateful for the opportunity to contribute to the mission of improving transit services for our community.

As part of Shell's commitment to supporting the communities where we live and work, it has been an honor to represent that spirit of engagement through my service on this board

It has truly been a pleasure working alongside such a dedicated and passionate group of individuals. I wish you continued success in advancing the important work of the Authority.

Regards,

Emile Broussard III

Control Tower Team Lead
