

Commissioner Frangella: 2021-6-ORD Matthew Jewell, Parish President/Dept. of Planning and Zoning an ordinance to amend the St. Charles Parish Zoning Ordinance of 1981, Section VI. Zoning District Criteria and Regulations, adding transmission towers as a special permit use in the O-L zoning district.

Mr. Albert: This is something you actually voted on earlier. We had written the original ordinance to allow these types of uses as a special exception in Open Land thinking that it might be used for agriculture activities without needing to take it through a process. The Council pulled that portion out of the ordinance and referred it back asking for it to be upgraded to a special permit use. So the towers would be under the same regulations and they would be in other places within open land.

We'll open public hearing for 2021-6-ORD anyone here to speak for or against? Seeing none, we'll close public hearing for 2021-6-ORD, any questions or comments from the Commissioners? Call for the vote.
