RE: **Request for Traffic Incident Report**  
**Mary St. and 2<sup>nd</sup> St., Norco**

With a memorandum dated September 30, 2014 from Councilwoman Carolyn Schexnaydre, Councilwoman At-Large, Division A (copy attached), the Department of Public Works (DPW) was asked to provide a recommendation for the installation of a "STOP" at the above mentioned intersection. One of the criteria for the installation of these signs is the number of traffic incidents within the past twelve months at the intersections being considered.

In order for this office to make an informed recommendation, DPW requests from your office a listing of all traffic incidents at the above mentioned intersection within the past twelve months. Any help you can give us would be greatly appreciated.

Should you have any questions or comments, please call me at 783-5102.
