Good Morning Mr. Granier and Council Members,

I know there has been a lot of opposition on Facebook to the OTB establishment proposed in Ormond. After Mrs. Benedetto posted the proposed hours and the fact that there will be 24 hour security, my concerns were slightly alleviated knowing

that this won't be a late-night loitering place. However, my remaining concern is the front signage of the establishment. I do not want neon lights or flashing signs like the St. Rose or LaPlace truck stop casinos have, which in my opinion, are not a fit for our neighborhood. Can you please tell me, if the business is granted permission to open, will there be restrictions on the type of signage and advertisements that are allowed to be erected?

Thank you in advance for taking your time to address my concern.

Truly,

Rachel N. Dockery

To whom it may concern,

It is my understanding that a special use permit is being requested for an off track betting facility to take over the Cardio Club location.

I would like to voice my opinion as a resident of Destrehan and frequent customer of the retail facilities of Ormond Plaza.

I can approve an establishment like this since it is tucked away in the corner.

Also, other local off track betting facilities always have an officer working security duty.

This will ensure the safety of the patrons and the retail center in general.

This is a better use of this space in comparison to other vendors who have tried to get in these retail spaces.

Let's get this approve to avoid another empty retail shell.

I've lived in Destrehan my whole life I've heard a lot of people talking negative about a reputable business that's wants to set its roots in Destrehan which will create jobs and tax revenue for the parish. Being that there will be a deputy from the St. Charles Parish Sheriff's Office there at all times during there open hours it's even more of a no brainer. Some people are talking about the rift raft that it may bring that is terribly wrong for some people of destrehan to say being there are many business in close proximity of where this is going that bring a diversity of people to do business within Destrehan. It is a different business that we don't have here.

I am on call one week a month and sometimes come home at all different times of the morning and if there's a particular race that i want go bet on I should have every right to spend my money in my own parish that is what keeps this parish going right?

Since there is one in Luling I'm not sure why one can't be in Destrehan where I live and pay taxes

I am totally for this business to be located in Destrehan at the Ormond Center address where it is proposed to go.

Subject: OTB Proposal

Good Morning,

As a citizen of St. Charles Parish living in Destrehan, I am sending you my thoughts regarding the OTB proposal at the location of the "CARDIO CLUB". I don't have any evidence or knowledge about the clientel of these establishments, but I do know our St. Charles Parish Law Enforcement will not put up with any lewd or unlawful behavior, so in that respect I am at peace with any decision you may vote upon.

However, may I ask that you perhaps consider that when voting on this proposal, to require this establishment to have a paid SCP officer on duty at all times? My main concern to ask such, as there are the other child friendly businesses very close to that locale, Peditrician and Orthodontics right next to this proposed site, Subway and the pet store as neighbors. This is the reason I would ask you to consider requiring the business to have a fully trained St. Charles Parish Deputy at this property especially during these other child-friendly businesses hours, for the safety of children running in and out of these businesses.

On one side, this new OTB may HELP to bring other patrons to the surrounding Destrehan businesses, but protection of the child-friendly businesses, along side this Adult themed business, may make sense.

Thank You for considering my opinion.

Respectfully,
Jane Vogt

We heard that some people do not want to see the OTB approved in Destrehan. Why should I have to go far away for this when 1 or 2 people say no. if they don't like it, don't go there. We want you to vote yes.

My name is Terry St Romain and I live at 102 Hurst Ct., Destrehan, La 70047, I'm not going to be able to attend the council meeting (12-7-17) in references for the OTB in the strip mall off of airline highway in Destrehan, but I would like my voice to be heard in favor of the OTB.

I think it would be great to have a local place to do some betting on the horse's without having to go to another parish, elsewell I think the taxes it would bring into St Charles Parish would be a plus, So my vote would be a resounding Yes on the business of OTB to open in the the strip mall. Thanks for considering my vote, Terry St.Romain

To whom it may concern:

I believe that an OTB location where cardio club is would be a great benefit for the area. It would be a great source of revenue for the area as well as a great place for employment opportunities. The idea of bringing in an OTB location would add a great many well paying jobs to the economy.

Thanks,

Calvin Landry
