RE: Renaming of Rue la Cannes – Esperanza Business Park

Parish President Larry Cochran/St Charles Parish Council Members:

Esperanza Business Park development ownership has recently been contacted by the St. Charles Parish Sheriff's Office with a request to rename the street currently designated as Rue La Cannes. The renaming of the street as we understand would be in honor of Deputy Jeff Watson who was killed in the line of duty.

Please be advised, this letter shall serve as notification from the Board of Managers - Esperanza Land Holdings, LLC, that this request was reviewed at the meeting of February 19, 2019. Furthermore, the board unanimously agrees with this request to rename Rue la Cannes in honor of Deputy Jeff Watson. The location of the street along the Sheriff's office training facility is most appropriate for this tribute to a well respected member of St. Charles Parish law enforcement.

On behalf of Esperanza Business Park and the Dufresne Family, we support this effort.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra Dufresne Vial". The signature is fluid and cursive, with a large, stylized initial "D".

Debra Dufresne Vial  
Manager
