Subject: Goodwill Lease Transfer/RP Community Development Corporation

Dear St. Charles Parish Council:

On behalf of the River Parishes Community Development Corporation Board of Directors, I would like to state our commitment with regard to the Goodwill lease transfer on the Edible Enterprises food incubator building (917 Third Street in Norco).

Since St. Charles Parish Council embarked on the incubator project primarily due to the 10-year commitment made by the River Parishes CDC, we would like to commit to the balance of the lease agreement should Goodwill not fulfill its commitment to the remaining lease agreement.

Sincerely,

Lily A. Galland
President
