All replacement housing will be provided within three years of the commencement of the demolition or rehabilitation relating to conversion. Before obligating or expending funds that will directly result in such demolition or conversion, the Parish will notify the public and submit to the Division of Administration the following information in writing:

1. A description of the proposed assisted activity;
2. The general location on a map and approximate number of dwelling units by size (number of bedrooms) that will be demolished or converted to a use other than low/moderate-income dwelling units as a direct result of the assisted activity;

1. All public facilities projects (water, sewer, gas, etc.) will be designed so that there will be no displacement of any residences or businesses;
2. No homes will be demolished that can be rehabilitated; and
3. There will be no displacement of any residential or business occupants on LCDBG projects.
