Mr. Michael Stack, District Administrator  
Department of Transportation &  
Development  
P. O. Box 9180  
Bridge City, LA 70096

Dear Mr. Stack:

Please review the down ramp from I-310 at Highway 90 and also the down ramp leaving Highway 18 (River Road) to South I-310. There are either expansion joints missing or the road has buckled. I have had several complaints about these two bumps that have developed.

If these cannot be repaired, please install a sign notifying drivers of the bump ahead. This could cause damage to tires and vehicles.

Thank you for your prompt response to this problem.

Sincerely,

DENNIS NUSS  
COUNCILMAN, DISTRICT VII
