NOTE: Failure to receive bill does not avoid your obligation for payment.

TO PAY IN PERSON: Please bring both portions of the billing. Only those payments paid on or before the due date will avoid delinquent charges.  
DELINQUENT BILLING: A penalty charge will be added monthly to bills if payment is not received on or before the due date. A delinquent notice will be mailed to all customers whose payments are not received by due date. Failure to pay full previous balance of a two month delinquent bill by the date stated on the past due notice may result in termination of water service. In the event of termination, full payment of the account balance, plus reconnection fees will be required prior to service resumption.  
AUTOMATIC PAYMENT: Utility billings may be paid automatically from your checking account. Contact Utility Billing Office for more information.

This account is being automatically deducted from your checking account
