

Commissioner Frangella: Next up 2020-9-ORD Matthew Jewell, Parish President/Dept. of Planning and Zoning for an ordinance to amend Chapter 25 Section 25-52 Paragraph (b)(2) to increase the requirement for overbank flooding protection of bayous and waterways.

Mr. Albert: This is being done at the request of Public Works and what we're doing is changing the language from the 10-year storm to the 25-year storm in the requirements. I would have liked to have had this in the larger subdivision changes but it's an entirely separate chapter than what's referenced here so we're kind of catching up with taking these to Council in the appropriate way.

Commissioner Frangella: Alright, open public hearing for 2020-9-Ordinance anyone here to speak for or against? We'll close public hearing for 2020-9-Ordinance, any questions or comments from the Commissioners? Seeing none, we'll call for the vote.

YEAS: Ross, Petit, Keen, Dunn, Frangella

NAYS: None

ABSENT: Schexnaydre, Galliano

Commissioner Frangella: That motion passes unanimously.
