Re: P200801 Ormond CN Railways Culverts Project

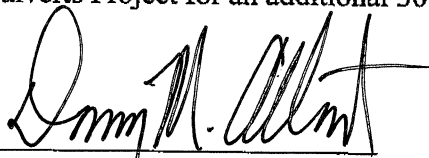

Gentlemen:

On June 3, 2025, bids were opened for the above referenced project. BLD was the apparent low bidder and St. Charles Parish is in the process of awarding the contract through Council action.

By the bid documents, BLD is not allowed to withdraw their bid for 45 days after bid opening. Unfortunately, St. Charles Parish will not be able to have this project awarded before the end of the 45 day period (July 18, 2025). St. Charles Parish requests that BLD agree to extend their bid for an additional 45 days. Award of this project is expected at the July 21, 2025 Council meeting.

Please have your representative sign below and return the executed document to this department.

BLD Services, LLC agrees to not withdraw their bid for the Ormond CN Railway Culverts Project for an additional 30 days (new deadline August 17, 2025).
