Dear Mr. Stack:

I am enclosing copies of resolutions adopted by the St. Charles Parish Council. I agree with the council that these areas need to be reviewed and studied so that traffic signals can be installed for the safety and protection of our residents.

I would appreciate it if you would honor their request and have your department review and study these areas. Please advise my office as well as St. Charles Parish of your findings.

Thank you for your assistance and consideration.

With kindest regards, I am

Very sincerely yours,
