RE: LOT 9 – J.B. GREEN ROAD

The answer to your question, which was proposed to the Parks and Recreation Department, "Will the purchase of Lot 9 adjacent to Lot 73-B on J. B. Green Road make the property better suited for a ballpark?" The department's answer is no. The existing piece of property is suited for a ballpark which can be enjoyed by residents of all ages.

We will continue to review all new developments, especially those that have existing parks and facilities in such close proximity.

Sincerely,

Duane P. Foret
