St Charles Parish for Project # LA-5532**

Project Name: Riverpark Waterline

State: :Louisiana

Federal Agency or Other Recognized Service (EIN #): 72-6001208

Grant Amount: \$100,000.00

The Following Conditions Apply to all DRA Projects

- Order of Precedence:** This Agreement is subject to the provisions of the Delta Regional Authority Act, the Delta Regional Authority Code, Administrative Requirements for Grants Awarded by the Delta Regional Authority and this Agreement as well as incorporated supplements, if any. Any conflict among these provisions shall be resolved giving precedence to these authorities in the order which they are listed in. The grantee acknowledges that no such provisions or any interpretations thereof shall be deemed to diminish the rights of DRA. DRA may at its option exhaust its remedies hereunder and under other documents, either concurrently or independently, and in such order as it may determine.
- Deadline:** The Authority may revoke or revise its approval of any project if work intended to be assisted is not underway within 18 months after the date of this Agreement.
- Grantee's Compliance to all laws and regulations:** The grantee shall comply fully with all laws and regulations. Specifically, the grantee shall protect his or her employees under all such laws, and regulations including, but not limited to, Executive Order 11246, Sections 503 and 504 of the Rehabilitation Act of 1973, Title VI and VII of the Civil Rights Act of 1963, The Family and Medical Leave of 1993, and applicable workers' compensation laws of the grantee's state.
- DRA Under Run Policy:** If the project contains only DRA funds, (and a non-federal share, where applicable), the DRA funds shall be returned to the DRA in the event of an under run. If the project contains both DRA funds and another agency funds, the funds shall be returned proportionately.
- Additional Funds:** It is understood that if the grantee receives additional funding from any new source towards the eligible cost of this project after DRA approval, these funding sources shall not be used to reduce the amount of local funds pledged. If new funds are available to this project, the DRA and the basic federal agency, if any, should be notified immediately as the DRA reserves the right to reconsider the level of its funding approval should this occur. In affirming this award, the grantee certifies that the additional funds are committed and available as needed for the project and that the additional

Additional Funds Cont.:	funds will not affect ownership of, or title to, the project facilities. If the additional funds are de-committed for whatever reason, DRA reserves the right to demand return of all grant proceeds.
Change in Scope:	It is understood that a change in scope should not be implemented without prior written approval from DRA and the basic federal agency, if any. A change of scope includes, but is not limited to, the project design, the type of project to be completed, capacity of the system, size of project, the number and/or type of customers served or equipment items or other property purchased.
Close Working Relationship with Administering Agency:	Pursuant to the Delta Regional Authority Act, it is expressly understood that the intent of this Agreement is that the grantee must work in conjunction and closely with the administering agency, if any, and follow bidding and contract award procedures to insure that all pertinent federal laws are complied with. Coordination with the administering agency begins with the filing of an application and continues throughout the project until completed.
Restrictions on Assistance:	DRA funds should not be used for any form of assistance to relocate industries within the Delta Region; recruitment activities which place a Delta state in competition with another Delta state; and projects to promote unfair competition between businesses within the Delta Region.
Project Account:	All DRA funds must be placed in a separate project account in the grantee's name with copies of all bank statements produced to DRA with the quarterly reports.
Bonding or Insurance:	The Grantee must provide evidence of adequate insurance and fidelity or employee dishonesty bond coverage.
Audit:	Audit requirements only apply to the year(s) in which the Agency grant funds are expended. Grantees expending \$500,000 or more of Federal assistance per year must submit an audit in accordance with the requirements of OMB circular A-133 as codified in 7 CFR 3052. Grantees that expend less than \$500,000 a year in a Federal award are exempt from Federal audit requirements for that year except as noted in 7 CFR 3052.215(a), but the records must be available for review or audit by appropriate officials of the DRA, administering agency, pass-through entity, and General Accounting Office.
Interest:	The Grantee will remit interest earned on grant funds deposited in an interest bearing account in accordance with 7 CFR Parts 3015 and 3016 and 3019 to DRA.

- Cost Incurred Prior to Approval:** Prior to the initial disbursement of grant funds, the grantee shall provide acceptable documentation to the Authority for costs incurred prior to the award to determine their eligibility in accordance with the requirements of the costs principles contained in the applicable OMB Circular (i.e., A-87, A-122, or A-21). DRA reserves the right to deny all costs incurred prior to the award of this grant.
- Quarterly Report:** Quarterly reports are due to the DRA on the 15th of the month following each calendar quarter, executed by the proper signatory. It is the responsibility of the grantee, not the administering agency, to write a complete report and timely send the same to the DRA central office. A delinquent quarterly report will result in the withholding of funding requests.
- Final Report:** Within one month after the period of performance, the grantee shall prepare and submit to DRA for approval a final report of all work accomplished under this grant including recommendations and conclusions based on the experience and results obtained. After DRA's review of the final report, DRA will either return to the grantee the approved report with such comments, including any requirements, suggestions, or modifications as deemed necessary, or require resubmission of the final report if deemed necessary, in which case the grantee shall within 15 days submit another final report for review and comment.
- Budget:** Costs will be determined in general accord with the budget produced in the grantee's application subject to the terms of this Agreement and to pertinent DRA Code provisions.
- Hold Harmless:** Grantee will carry out the program under this Agreement as an independent contractor and not as an agent of the Authority. Grantee assumes sole and complete responsibility for the conduct of the program in such a manner as to assure the safety and welfare of all persons participating in or any way involved in, affected by, any activities conducted under this Agreement. The Authority, by its provision of funds for this project, undertakes no responsibility in this regard. Grantee shall indemnify and save harmless the Authority, its agents, officers and employees, from and against any and all claims, demands, suits, judgments, settlements, etc., for sums of money for or on account of personal injuries, property damage, or loss of life or property of any persons arising from or in any way connected with the performance of the project covered by this Agreement. Further, the grantee expressly releases the DRA from any liability for any losses or damages suffered by grantee, directly or indirectly, from or in any way connected with the performance of this Agreement.
- Subcontracting:** The grantee shall not enter into subcontracts for any of the work contemplated under this Agreement without obtaining the prior written

Subcontracting Cont.:	approval from the Authority, and subject to the conditions and provisions as the Authority may deem necessary, to protect the interests of the Authority. Provided, however, that notwithstanding the foregoing unless otherwise provided herein, such prior written approval shall not be required for the purchase by the grantee of articles, supplies, equipment and services which are both necessary for and merely incidental to the performance of the work required under this Agreement. Provided, further, however, that no provision of this article and no such approval by the Authority of any subcontract shall be deemed in any event or in any manner to provide for the incurrence of any obligation by the Authority in addition to the total amount and the Authority shall not be responsible for the fulfillment of the grantee's obligations to the subcontractors. Provided, further, that no subcontracting shall be deemed to relieve the grantee of any obligations under this Agreement.
Project Personnel:	The Authority reserves the right to approve or disapprove the selection or continued participation of any personnel supported with the funds made available under this Agreement.
Suspension/ Termination/ Collection:	The DRA shall have the right, upon written notice to the grantee, to suspend or terminate this Agreement for cause, whenever the Federal Co-Chairman determines there is reasonable basis to believe there has been malfeasance, embezzlement, misappropriation, unauthorized application of federal funds or material false statement in the conduct of this Agreement or any other DRA grant agreement and begin collection proceedings by unilateral election. This Grant Agreement may also be terminated and/or suspended for a violation of any law, rule, and/or regulation of DRA or other applicable laws.
Termination for Convenience:	The DRA may, by written notice to the grantee, terminate this Agreement in whole or in part for convenience of the Authority, whenever the DRA determines that such action is in its best interest. If this Agreement is so terminated, the rights, duties and obligations of the parties, including compensation of the grantee, shall be in accordance with Part 49 of the Federal Acquisition Regulation in effect on the date of this Agreement and such regulations are incorporated by reference as part of this Agreement.
Cornerstone, Plaque or Sign:	Any facility constructed in whole or in part by the funds provided under the DRA shall include a cornerstone, plaque or sign appropriately acknowledging the assistance provided through the DRA program; provided that such an item not be required if it would be prohibited as an eligible project cost under the basic federal program through which the DRA assistance is provided.

Operation and Maintenance Agreement:	If the grantee will not operate and maintain the project, then prior to the initial disbursement, the grantee shall provide to the Authority an executed copy of an agreement with the party responsible for the operation and maintenance of the project. Such agreement must be consistent with the Authority policies including, but not limited to, non-discrimination, environmental requirements, an adequate consideration. The agreement must also set forth that prior to occupancy, the occupant of any part of the land acquired or approved by this project must furnish to the grantee, for transmittal to DRA, properly executed DRA forms evidencing assurance of compliance with all applicable requirements.
Project Start and Ending Dates:	The project start date shall be the date of the execution of this Agreement. The project end date shall be determined by the dates set forth in Section 13 of the Standard Form 424. All requests for extension of the Project End Date must be requested in writing with an explanation of the need of the extension.
Financial Procedure:	The grant proceeds will be administered in accordance with generally accepted financial accounting procedures and standards. Should the grantee fail to follow such procedures and standards, DRA reserves the right to collect, suspend, terminate, and/or collect said funds as referenced herein.
Certification Regarding Lobbying:	The grantee certifies that no federal appropriated funds have been paid, or will be paid, by or on behalf of the grantee to any person or any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with the awarding of this grant and the entering into of any and all agreements to effectuate this transaction. The grantee further agrees to comply with applicable statutory provisions prohibiting use of Federal assistance funds activities designed to influence any legislation or appropriations except through proper, official channels.
Return of Grant Proceeds:	The grantee acknowledges that all grant proceeds, until they are spent for the purposes of the grant and in accordance with the grant application and this Agreement, shall remain the property of DRA and, if not expended for the purposes of the grant and in accordance with the grant application and this Agreement, will be returned to DRA within 30 days after the final date on which the grant proceeds were scheduled to be spent under the terms of the grant application and this Agreement.
Licenses and Permits:	The grantee and its employees, agents, and advisors, and not DRA, are responsible for obtaining necessary licenses and permits, if any, for insuring that all aspects of the project comply with all applicable statutes, regulations, ordinance, and codes, and for all costs of the project in excess of the amount of the approved grant.

Any notice to the grantee shall be sent to the address set forth in the grant application.
- Waiver/Cumulative Remedies: Neither any failure nor any delay on the part of DRA or any administering agencies in exercising any right, power or privilege hereunder or under the laws of the applicable jurisdiction shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any other right, power or privilege. No modification, amendment or waiver of any provision of this Agreement or other documents, nor consent to any departure by the grantee or any other person therefrom shall in any event be effective unless the same shall be in writing and signed by DRA and then such waiver or consent shall be effective only in the specific instance and for the specific purpose which given. No notice to or demand on the grantee or any other person in any case shall entitle such person to any other or further notice or demand in the same, similar, or other circumstances. That agreement and transaction, as well as all past and future agreements and transactions between the parties, their employees, officers, directors, agents, parent companies, subsidiary companies, sister companies, and any other affiliated entities or persons, are hereinafter collectively defined as the "Transaction". This Agreement is incorporated into each document executed in connection with the Transaction. In the event of a conflict between the provisions of this Agreement and other documents executed in connection with the Transaction, the provisions of this Agreement shall control.

2. Consideration. The consideration for this agreement is the consideration given and received in the Transaction, and the mutual benefits to be derived by DRA and GRANTEE from the convenient, expeditious, economical, and private procedures for resolving disputes between them and other entities or persons covered by this Agreement.

3. Dispute Resolution. Any claim, dispute or controversy between GRANTEE and DRA, including DRA's employees, officers, directors, agents, parent companies, subsidiary companies, sister companies, successors, assigns, other affiliated entities or persons (collectively, "Covered Persons"), (whether in contract, tort, or otherwise, whether preexisting, present or future, and including statutory, common law, intentional tort or equitable claims), arising from or relating to any matter, including, but not limited to, the Transaction, any past or future interactions, business or dealings between the parties or between GRANTEE and the Covered Persons or any application, advertisements, promotions, or oral or written statements related to the Transaction, any goods or services furnished in connection with the Transaction or the terms of financing, the relationships with respect to the Transaction (including to the full extent permitted by applicable law, relationships and dealings with third parties who are not signatories to the Transaction or this Agreement) or the validity, enforceability or scope of this Agreement (collectively, "Claim"), shall be resolved, upon the unilateral or joint election of GRANTEE or DRA or said Covered Persons, respectively, by binding arbitration, as hereinafter provided, pursuant to the Rules of the National Arbitration Forum ("NAF") in affect at the time the Claim is asserted. A party who has asserted a Claim in a lawsuit in court may elect arbitration with respect to any Claim(s) subsequently asserted in the lawsuit by any other party or parties. The Rules of NAF may be obtained by calling 1-800-474-2371 or by going to the NAF Website at www.arb-forum.com, and all Claims shall be filed at any NAF office (provided, however, that if for any reason NAF is unwilling or unable or ceases to serve as arbitration administrator, an equivalent national arbitration organization utilizing a similar code of procedure will be substituted by the parties hereto).

4. Arbitration.

(a) Any Claim shall, at the request of the GRANTEE, DRA or any Covered Persons, whether made before or after institution of legal proceedings, be determined by binding arbitration. The Transaction involves interstate commerce, and the arbitration is subject to and shall be conducted in accordance with the United States Arbitration Act, 9 U.S.C. §1, et. seq., as amended, notwithstanding any choice of law provision in this Agreement or any other documents executed in connection with the Transaction, and under the Rules of NAF. The Arbitrator shall have authority to award damages and grant such other relief he deems appropriate. The Arbitrator shall give effect to applicable law, including statutes of limitations in determining any Claim. The Arbitrator will determine who will ultimately be responsible for paying any filing, hearing or other administrative fees in connection with the arbitration. Unless inconsistent with applicable law, each party to an arbitration shall bear the expense of their respective attorneys', experts' and witness fees and expenses, regardless of which party prevails in the arbitration.

6. Selection of Arbitrators. On claims of \$100,000 or less, including counterclaims, an Arbitrator shall be selected from a panel of nine (9) arbitrators

9. Confidentiality. FOR AND IN CONSIDERATION of the Grant provided to the ~~[grantee name]~~ ^{St. Charles Parish} (the "Grantee") by Delta Regional Authority, its successors and assigns ("DRA"), and other good and valuable consideration, the receipt and sufficiency all of which is hereby acknowledged, the undersigned Grantee, being the owner, operator and/or occupier of the real property described in the accompanying grant application ("Property"), hereby declares, covenants, represents, and warrants unto DRA as follows:

1. Grantee represents and covenants that, except as disclosed by Grantee to DRA in writing on or prior to the date of this agreement, (i) the Property has at all time during Grantee's ownership, occupancy and control thereof and is presently free of contamination from any substance or material presently identified to be toxic or hazardous according to any applicable federal, state or local statute, rule or regulation (collectively, the "Law"), including without limitation, any asbestos, PCB, radioactive substance, methane, volatile hydrocarbons, industrial solvents or any other material or substance which has in the past or could presently or at any time in the future cause or constitute a health, safety or other environmental hazard to any person or property; (ii) Grantee has not caused or suffered to occur, and Grantee will not hereafter cause or suffer to occur, a discharge, spillage, uncontrolled loss, seepage or filtration of oil or petroleum or chemical liquids or solids, liquid or gaseous products or hazardous waste (a "spill"), or hazardous substance at, upon, under or within the Property or any contiguous real estate; (iii) neither Grantee nor any other party has been, is or will be involved in operations at or near the Property which could lead to the imposition on Grantee or any other owner of the Property of liability or the creation of a lien on the Property, under the Law or under any similar applicable laws or regulations; and (iv) Grantee has not permitted and will not permit any tenant or occupant of the Property to engage in any activity that could lead to the imposition of liability on such tenant or occupant, Grantee or any other owner of any of the Property, or the creation of a lien on the Property, under the Law or any similar applicable laws or regulations; and (v) no friable asbestos, or any substance containing asbestos deemed hazardous by federal or state regulations on the date of this Agreement, has been installed in or on the Property. The terms "hazardous substance" and "release" as used in the Agreement shall have the meaning specified in CERCLA, and the terms "solid waste" and "disposal" (or "disposed") shall have the meanings specified in RCRA; provided, in the event that the applicable laws of the applicable jurisdiction establish a meaning for "hazardous substance," "release," "solid waste," or "disposal" which is broader than that specified in either CERCLA or RCRA, such broader meanings shall apply.

2. Grantee shall comply strictly and in all respects with the requirements of the Law and related regulations and with all similar applicable laws and regulations and shall notify DRA promptly in the event of any spill or hazardous substance upon the Property, and shall promptly forward to DRA copies of all orders, notices, permits, applications or other communications and reports in connection with any such spill or

hazardous substance or any other matters relating to the Law or related regulations or any similar applicable laws or regulations, as they may affect the Property.

3. Grantee, promptly upon the written request of DRA from time to time, shall provide DRA with an environmental site assessment or environmental audit report, or an update or such an assessment or report, all in scope, form and content satisfactory to DRA.

4. In consideration of the grant, Grantee shall indemnify DRA and hold DRA and its directors, officers, agents and employees harmless from and against all claims, demands, causes of action, loss, liability, damage, costs and expense, including, without limitation, attorneys' fees, costs of suit and fees of expert witnesses, suffered or incurred by DRA, whether as holder of a mortgage, as mortgagee in possession or as successor in interest to Grantee as owner of the Property by virtue of a foreclosure or acceptance of a deed in lieu of foreclosure (i) under or on account of the Law or related regulations or any similar applicable laws or regulations, including the assertion of any lien thereunder; (ii) with respect to any spill or hazardous substance affecting the Property whether or not the same originates or emanates from the Property or any such contiguous real estate, including any loss or value of the Property as a result of a spill or hazardous substance; and (iii) with respect to any other matter affecting the Property within the jurisdiction of the U.S. Environmental Protection Agency or any similar state or local agency. The foregoing indemnity shall further apply to any residual contamination on or under the Property, or affecting any natural resources, and to any contamination of the Property or natural resources arising in connection with the generation, use, handling, storage, transport or disposal of any such hazardous substances or solid wastes, and irrespective of whether any of such activities were or will be undertaken in accordance with applicable laws, regulations, codes and ordinances. Without prejudice to the survival of any other agreements of Grantee hereunder, this indemnity shall survive the closing of the Grant and shall continue thereafter in full force and effect.

5. In the event of any spill or hazardous substance affecting the Property, whether or not the same originates or emanates from the Property or any such contiguous real estate, and/or if Grantee shall fail to comply with any of the requirements of the Law or related regulations or any other environmental law or regulation, DRA may at its election, but without the obligation so to do, give such notices and/or cause such work to be performed at the Property and/or take any and all other actions as DRA shall deem necessary or advisable in order to remedy said spill or hazardous substance or cure said failure of compliance and any amounts paid as a result thereof, together with interest thereon at the legal rate from the date of payment by DRA shall be due and payable by Grantee to DRA within fifteen (15) business days of demand therefore, and until paid shall be added to and become a part of the indebtedness and shall have the benefit of any lien hereby created as a part thereof.

6. Grantee shall permit any officer, employee or agent of DRA to visit and inspect the Property, examine the books of record and accounts of Grantee, take copies

and extracts therefrom, and discuss the application of any Applicable Environmental Laws to the Property with Grantee's officers, consultants and employees, all at such reasonable times and on reasonable notice and as often as DRA may reasonably desire. In addition to this right of inspection, Grantee hereby grants to DRA an easement upon personal servitude of right of use of the Property for environmental inspection. As used in this section, the term "environmental inspection" shall mean any visitation to or inspection of the Property (including obtaining underground soil samples), or interview with Grantee or its consultants or employees, to determine the continuing accuracy of the environmental representations state in this Agreement. DRA may exercise this right of use at any time during normal business hours of Grantee. The easement shall continue until termination of the transaction provided in the grant, and shall automatically be transferred with any transfer of rights under the grant.
