Re: Spillway Road Rehabilitation  
Parish Project No. P190902  
Recommendation of Award

On Tuesday, Feb. 2<sup>th</sup>, 2021, bids for the subject project were received and read aloud in the Council Chambers. Seven (7) bids were received, and the tabulated results are presented in the attached spreadsheet.

One bidder, Buck Town Contractors & Co., improperly completed the bid form; Principal Engineering recommends rejection of this bid as non-responsive. If the Parish does not reject the bid from Buck Town Contractors, and chooses to award Alternate No. 1, Buck Town becomes the low bidder.

Principal Engineering, Inc. recommends award of the bid to the lowest responsive and responsible bidder, Omega Foundations Services, Inc (LA Lic. #69770). The amount of the lowest responsive bid is as follows:

Base Bid	\$ 1,157,156.00
w/Ded. Alternate No. 1	\$ 1,013,758.13

The award or non-award by the Council of Alternate No. 1 does not alter the low bidder or award recommendation. The Council should decide whether to proceed with Base Bid or Ded. Alternate No. 1. All aspects of the low bid, copy attached, appear to be in order, pending receipt of required post-bid documents.
