- WHEREAS, we know that child safety seats help save lives and reduce injuries. We also know that they are most effective when installed and used correctly. Sadly, nearly three out of every four child safety seats are not used properly. Starting now, working together, we must join forces to prevent these deaths and injuries; and,
- WHEREAS, that is why St. Charles Parish is committed to working closely with our partners and safety advocates to help reduce the number of young lives lost on our roadways. Our goal is to educate parents and caregivers on how to properly install and use child safety seats; and,
