Dear Mr. Henderson,

I am the owner of Lot #1a, Block H, Ama Heights Subdivision, Kennedy Street, Ama, LA.. My lot is the at the southwest corner of Kennedy and the proposed Glynn Streets. I intend to construct a single family home on that lot in the very near future.

I am requesting support of an ordinance revoking Glynn Street. I understand that revocation would allow the right of way, which would become Glynn Street, to be divided between my lot and Lot # 24, Block F located at the northwest corner of the intersection. In the event the revocation is permitted, I agree to accept 15' and to allow 35' of the 50' right of way to be added to Lot # 24.
