Councilwoman Bellock,

Good afternoon. The survey is up to you. It is not required but I can certainly distribute to see if the speed limit reduction is wanted by the majority of the neighbors. Please advise how you would like me to proceed.

Good Afternoon Michelle,

Can we get a survey sent to this community like we did for Pin Oak subdivision? Or do we really need one? The speed limit is currently 25 and the streets are really small narrow and the houses are extremely close to the street.

Subject: Speed Limit

Hi Mrs. Bellock,

I'm a resident of St. Rose and I'm reaching out to you for your help with changing the speed limit on 1st-4th streets in St. Rose. I've noticed that our speed limit in "Old St. Rose/Elkinsville" is 25mph where most of the other subdivisions speed limit is 15mph. The cars that ride in our neighborhood usually speed well over that limit. What can you do to help us with this?

Thanks,

Keondra Milligan
