## MEMORANDUM

DATE: JULY 9, 2012

TO: MR. LEON C. VIAL, III  
LEGAL SERVICES DIRECTOR

FROM: PAUL J. HOGAN, PE  
COUNCILMAN, DISTRICT IV

RE: STREET LIGHTS / NEW SUBDIVISIONS

Your opinion is requested as to whether or not the street light facilities in newly dedicated subdivisions are to be energized during the time period in which the developer is responsible for maintenance, in accordance with Appendix C, IV. Design Standards, E. Miscellaneous, 3. Electrical Service/Street Lights, c.

Should your response be that they are not energized during this time period, please identify for me the section of the code which states that these facilities are not required to be energized upon their installation.

Thank you for your assistance in this regard.
