To whom it may concern,

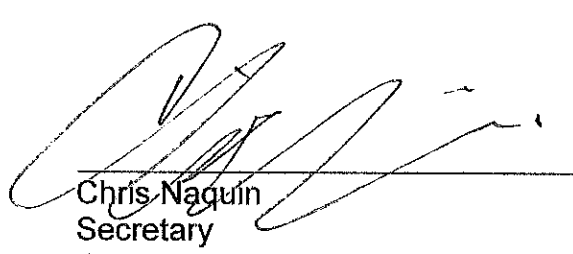

Upon a meeting with the Board of Directors, after having fully reviewed the plans of Wingzzz N Thingzzz and having ample time to solicit the opinion of our members, it is the view of Ormond Civic Association that we are in full support of this business receiving a permit to sell alcoholic beverages at their establishment. We urge the Planning and Zoning Board of Adjustment to consider this letter of support in favor of their application.

The owners Mr. & Mrs. Barrios are active members of the community, and we believe the business they run is a true asset to the community. We look forward to having them be a part of our community for many years to come and welcome them with open arms.

We the officers of the Ormond Civic Association thank you for your consideration in this matter and hope you will vote in favor of their request for a permit. If you have any questions please contact us at 504-915-2944.

Thank you,

To whom it may concern,

The St. Charles Soccer League supports Wingzzz-N-Thingzzz LLC in their attempt to receive an alcoholic beverage license.

While St. Charles Parish Department of Parks and Recreation holds the lease to Shriner's Fields, St. Charles Soccer League is the beneficiary. Our use of the property is the fields which is well beyond the 300 ft of protected areas. Parking for our families is determined by events hosted by the Shriners.

Wingzzz-N-Thingzzz has been something positive for the community in that its a local business that employs students of DHS as well as players from our club. The business is a convenience to the over 200 families who use Shriner's fields weekly to provide a quick dinner as they are open after practices and games. We would like to see the business have every opportunity to succeed. St. Charles Soccer League after discussion with the Executive Board and it's many participating families, is in full support of Wingzzz-N-Thingzzz in their endeavor, including obtaining an alcoholic beverage license.

Sincerely,

To Whom It May Concern:

I have been informed by Melissa Barrios, the proprietor of Wingzzz N Thingzzz, that she is requesting a permit to sell alcoholic beverages in the restaurant located at 1950 Ormond Boulevard.

I know Melissa Barrios (and her family) due to her involvement with St. Charles United Methodist Church and I am confident that she will be a good and responsible steward of any license which might be awarded her and/or the restaurant.

I am aware of the challenges which the consumption of alcoholic beverages can bring. Our church hosts meetings of Alcoholics Anonymous and Alanon. Further, I appreciate the efforts of our Parish Council to create "buffer zones" to protect children and families who are served by our schools, churches, and playgrounds.

With these considerations in mind, at this time, I find no reason to object to the issuance of a permit to sell alcoholic beverages at Wingzzz N Thingzzz, 1950 Ormond Boulevard, Destrehan, Louisiana. (Please note: The Church Council of St. Charles United Methodist Church has not considered this matter; this came to my attention on the day after our last Council meeting.)

Dear Melissa,

We are sorry for the delay in getting back to you regarding your request. We contacted St. Charles United Methodist Church regarding your request since they are across the street from your business, with a desire to support their decision. They recently contacted us letting us know that their council approved your request, therefore our organization will not oppose your new business, Wingzzz N Thingzzz, LLC.

Sincerely,
