The Arc of St. Charles Day Habilitation
Participation

■ 2024 ■ 2025

In the last six months we have seen our Day Program increase by ten percent. Based on recent intake activity it is set to grow by an additional ten percent by the end of the year. Day Program services include DayHab activities that take place on our grounds and Community Life Engagement which consists of participation in various activities in the community.

Innovative Career Experiences

Through this division: The Vocational Program individuals participate in job shadowing clusters with various community partners to gain on the job experiences.

This year we were also able to expand services whereby individuals enrolled in GED Prep courses, as well as College courses. In person and Online.
