

2020-05-ORD Matthew Jewell, Parish President/Dept. of Planning and Zoning for an ordinance to amend the St. Charles Parish Subdivision Regulations of 1981, Section II. Subdivision Procedure, C. Minor Subdivisions, 2. Reserved and Section II. Subdivision Procedure to establish a process for analyzing the impact of traffic generated by new development at paragraph E. Preliminary Plat 3. Preliminary Plat/Additional Submission Requirements.

Mr. Albert: Mr. Chairman this is the same thing you just spoke about implemented into a different section of the code. In the years that I've been here, whenever a subdivision comes in, there are always resident's questions about traffic and we are not usually able to give you direct answers on them because there is no requirement in the code for something like this right now, this would create that requirement.

Commissioner Frangella: Thank you we'll open public hearing for 2020-05-ORD, anyone here to speak for or against? Please step forward. Ms. Stein do you know?

Ms. Stein: It is our understanding that no one signed in to speak to this item.

Commissioner Frangella: Close the public hearing for 2020-05-ORD, any questions or comments from the Commissioners? Seeing none we'll call for the vote.

YEAS: Ross, Petit, Keen, Dunn, Frangella, Galliano

NAYS: None

ABSENT: Granier

Commissioner Frangella: That passes unanimously.
