Describe how you plan to use the property if the rezoning is granted: Development of residential subdivision.

What types of activities occur on adjacent properties today? How is your proposed use compatible with the neighborhood?

Residential. Proposed use is the same as adjacent properties.

Is there something about the property or the surrounding neighborhood that make the rezoning necessary?

Property is surrounded by residential neighborhoods.

How does your proposed use of the property comply with the Future Land Use designation for the property?

Future land use is designated as low to moderate residential.

If the property is rezoned, but your project does not develop, explain how other uses allowed in the new zoning district are compatible with the existing neighborhood? A list of allowed uses is available at the Planning and Zoning Department.

The new zoning district is compatible because the subject property is surrounded by residential development.
