Planning and Zoning
St. Charles Parish

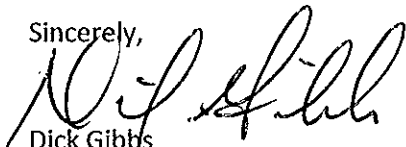

Dear Parish Council & Planning and Zoning,

It is with regret but with enthusiasm that I will be resigning my position on The Planning and Zoning Commission effective January 10, 2016.

Due to my recent election to the Parish Council, I must relinquish my position as it is not allowed to hold both positions simultaneously.

I would like to thank the present and past commissions and the staff at Planning and Zoning for allowing me the opportunity to serve and be affiliated with such a great group.

Sincerely,
