MARCUS M. LAMBERT

COUNCILMAN, DISTRICT VI

SS  
5/10/10

## MEMORANDUM

DATE: MAY 5, 2010

TO: MR. SAM SCHOLLE  
PUBLIC WORKS/WASTEWATER DIRECTOR

FROM: MARCUS M. LAMBERT  
COUNCILMAN, DISTRICT VI

I have had several requests from residents to place a stop sign in the area of 5<sup>th</sup> Street and Vial Street. There are many children that walk to school and vehicles traveling to the back of the subdivision for recreation making this area dangerous for the children in the neighborhood.

Please review the area of 5<sup>th</sup> Street at Vial Street in Norco for the installation of a stop sign. There are several stop signs on 5<sup>th</sup> Street but they do not go as far as the School Zone and the new subdivision.

Please advise if a stop sign can be installed.
