RE: Request for Traffic Incident Report
Cove Ln and Cypress Ln, Destrehan

With a memorandum dated April 28, 2015 from Councilwoman Wendy Benedetto, District III (copy attached), the Department of Public Works (DPW) was asked to provide a recommendation for the installation of a "All-Way STOP" at the above mentioned intersection. One of the criteria for the installation of an additional sign is the number of traffic incidents within the past twelve months at the intersections being considered.

In order for this office to make an informed recommendation, DPW requests from your office a listing of all traffic incidents at the above mentioned intersection within the past twelve months. Any help you can give us would be greatly appreciated.

Should you have any questions or comments, please call me at 783-5102.
