FINDINGS

Mr. Salazar wishes to use his residence as the domicile for Roland and Sons Home Improvements, LLC, a home improvement contractor. The property owner, Kim Laque, has endorsed the application. The business requires registration with the Louisiana State Licensing Board for Contractors.

Business activities at the house will be limited to office work. Construction materials will be delivered to and stored at job sites; tools generally are stored in a work truck; larger equipment is stored on a trailer that will be parked out of view of neighbors and passing vehicles. The business will not generate traffic to the residence. At the time of writing this report, the applicant has been advised that no signage advertising the business can be visible on the property—a yard sign observed on 7/15/2015 will have to be removed.

The proposed business meets the general parameters of the home occupation regulations.
