RE: Lot 9 – J.B. Green Road

Dear Councilman Hogan:

The Parks and Recreation Department of St. Charles Parish has studied your request to purchase Lot 9, which is the property adjacent to parish owned Lot 73-B on J.B. Green Road. The Parks and Recreation Department does not feel that purchasing this property would enhance the park in such a way to warrant the \$79,000 expense. Currently, the size of Lot 73-B is conducive to developing several recreational activities for all age groups. In the opinion of the department, the recommendation to purchase this additional lot will not enhance the usefulness of the existing property and future park development to warrant the expense.

Sincerely,

Duane P. Foret
Director of Parks and Recreation
