Chris Welker, AICP

Planner, St. Charles Parish
PO Box 302
Hahnville, LA 70057

Dear Mr. Welker,

I have discussed the proposed application for a public stable with Mr. and Mrs. Dugas I and understand that the stables, where they currently stand, are not within the typical 10 ft' requirement the parish sets forth. With this understanding, I do not have any concerns or objections with the current location of the stables. Sincerely,

Avis R. Ocampo
