Mr. Billy,

Per our conversation this morning regarding the CPRA funding agreement authorized through Resolution #6420 please see the below response from Vida with CPRA:

"We have 180 days once the grant ends to pay any final invoices and close out the grant. As long as work is complete by March 31, we can pay it. Given the circumstances, I can push the final invoice once we receive it."

The project is complete, and we are waiting on the final invoice to complete the final reimbursement request therefore we should not need an extension. If anything changes, I will be sure to let you know. Please let me know if you have any questions.

Thanks,
