Attention: members of this department

I cannot attend the meeting on Thursday, concerning the road Mr Oubre wants to build through my property in Monty. My daughter, Susan Baddeau, who is a partial owner, and lives on the property, has to work and cannot attend either.

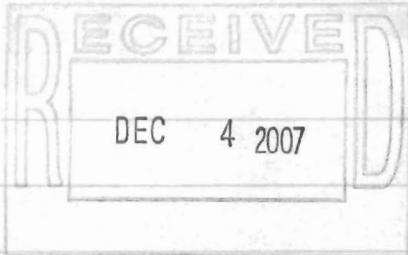

I would like to put it on record that I do not want a road through my property. And I do not wish to sell my property.

Yours truly,
Mrs. Sidney Millet Jr.

P.S. Sudden 2007 is diseased.

St Charles Parish Planning & Zoning Commission

This is in regard to the proposed Bocage Estate subdivision being planned in Montz. We have lived here 27 years in Depieland. One of the main reasons is because there is no through traffic. We, to my knowledge have never had an accident on Thoroughbred, ~~and~~ mainly because of very little traffic. We have a lot of children playing in the streets because there is no sidewalks, also they wait for buses for school every morning in street. The biggest reason of objection is that, why should we be negatively impacted so these developers can make more money. Why don't they do like Country Cottages estates and have the ~~across~~ access road connect to River Road. They won't have to commit to River Road. They would have to purchase more property. Why not!
