Re: Request to reduce speed limit on US 90 in Paradis.

Dear Ms. Clark,

This is in response to St. Charles Parish Council Resolution No. 6183, which requested that the speed limit be reduced from 45 mph to 35 mph on US 90 from a point 300 feet east of Early Street to LA 306 in Paradis. We will conduct a speed study on US 90 once the current construction project is completed. We will notify you of the results of the study once it is completed.

Thank you for your interest in the safe operation of Louisiana's highways. Please call if you have any questions or need any additional information.

Sincerely,

Chris G. Morvant, P.E., PTOE
District Engineer Administrator
