Re: Carline Management Company, Inc.,  
EM-20-010-2413-2

Dear Mr. Swindler:

On September 23, 2002, the St. Charles Parish Council adopted Resolution No. 5051 offering a **STRONG OBJECTION** to the application of Carline Management Company, Inc., EM-20-010-2413-2 for a permit to install and maintain anchor piles and cables to moor 17 tiers of barges, eight barges wide in the Mississippi River, right descending bank, between points about 122.8 and 124.1 miles above the Head of Passes, near Hahnville, in St. Charles Parish, Louisiana.

The Parish Council received a letter from the Corps of Engineers dated May 22, 2003, which added conditions to the permit. The Council wishes to emphasize their continuation of **Strong Objection** regarding this project.

Sincerely,

BARBARA J. JACOB  
COUNCIL SECRETARY
