Subject: resignation of Robin Robicheaux from Library Board

Hi Michelle,

See Below..

Dear Library Board Members,

It's with a heavy heart that I am resigning from my position on Library Board for District VI immediately. I was appointed in 2022.

There's been some major changes in my life over the past year and a half that prompted me to make this decision.

I have had some health issues that occurred and still dealing with. Both of my in-laws are requiring more assistance due to their health problems. And finally, my Missions Team day was changed from a Friday to every third Tuesday of every month, which is always on the Library Meeting days. The time also changed and we get up at 2am to cook and be prepared to leave for NOLA by 6:30 am, which for me means a sleepless night.

With all the changes that occurred in my life , I probably miss every other meeting from fatigue. I honestly don't feel I representing my District like I used to before all these changes started happening.

I want to thank everyone for being so kind to me and welcoming me with open arms. I have a great respect for the Library system now. I learned so many things what the library represents and does for the community.

Sincerely,

Robin Robicheaux

District VI Library Board
