RE: Carline Management Company, Inc.
EM-20-010-2413

Dear Mr. Laque,

The above referenced application by Carline Management Company is a renewal permit for barge fleeting. Barge fleeting has been permitted and maintained at this location since 1964 by Sioux City Barge Lines.

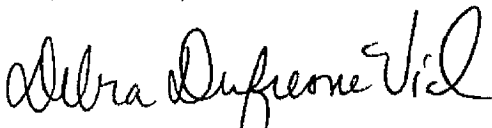

This fleeting operation is in front of property owned by Esperanza Investments, Incorporated. The only residents in the area are Judge Edward Dufresne and his family, and of course they have **NO OBJECTION** in this connection.

Furthermore, to our knowledge there have been no other objections from anyone.

Carline Management Company is requesting this permit to assist their operation in servicing major industry in St. Charles Parish such as Dow Chemical – St. Charles Operations (formerly – Union Carbide Corporation) and Monsanto Company.

Your support, as well as the support of the St. Charles Parish Council, and the forwarding of a letter of no objection is appreciated.

Very truly yours,

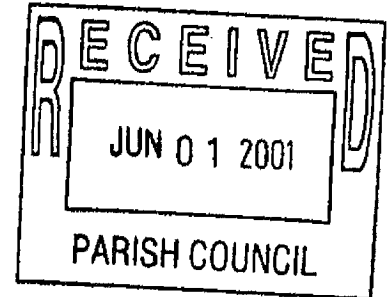

Debra Dufresne Vial
