BAG CHECK

(ONE BAG PER CITIZEN)

Julia Fisher-Perrier
District VIII

An aerial photograph of a construction site. In the foreground, a large white crane is lifting a massive, grey, cylindrical engine component with red straps. The component is being hoisted from a flatbed trailer. To the right, another flatbed trailer carries a large, grey, rectangular piece of machinery, possibly a generator or a large pump, with the number '400-586-8238' visible on its side. A white pickup truck is parked nearby. In the background, there is a large parking lot filled with cars and a few commercial buildings under a clear sky. Two text boxes are overlaid on the left side of the image.
