Re: Formal Request for Revocation of a Street Name

Dear Mr. Henderson:

I would like to petition the council for formal revocation of the dedicated street referred to as "7th Street." This dedicated street borders our Lot 1 in Square 8, of St. Rose Subdivision, known as 806 Oak Street, and Lot 18 in Square 7 on the South. The purpose of this request is to add the above mentioned property to our property for means of expansion to our green space.

We would like to acquire this land since we have been maintaining it for 6 years, and would like to include it in our fencing plans along with additional landscaping.

Please contact us if there are any other formalities we must complete to start this process.

I can be reached at 504-915-6280 (cell) or 504-464-8888 (work) at any time.

Sincerely,

A handwritten signature in black ink, appearing to read "John P. Himmaugh". The signature is fluid and cursive, with a long horizontal stroke at the end.
