Dear Resident:

Based on Attorney General Opinions 13-0171, 14-0045, and 14-0083 it has been determined that you received a service from St. Charles Parish through the "Blight Elimination Program" that resulted in several dumpsters being provided to this location at no cost for your use in clearing your property of a blighted structure. It has been determined that, despite the neighborhood's improved condition and the cost savings realized to the Parish through this expedited process, a fee should have been charged prior to providing this service.

The Parish cannot enforce this debt and cannot file a lien against your property but would sincerely appreciate your cooperation in paying this obligation.

Thank you for your cooperation and participation in the St. Charles Parish Blight Elimination Program.

Sincerely,

Leon C. Vial, III
