### MEMORANDUM

DATE: April 29, 2008

TO: Mr. Greg Champagne  
St. Charles Parish Sheriff

FROM: Lawrence "Lee" Zeringue, PE   
Sr. Parish Engineer

RE: **Request for Traffic Incident Report  
South Destrehan Ave. and Ashton St.**

With a memorandum dated April 15, 2008 from Councilman Billy Raymond, Sr., Councilman District I (copy attached), Department of Public Works (DPW) was asked to provide a recommendation for the installation of a '2-STOP' sign. After inspection of the intersection I have to assume that Mr. Raymond wishes for a '3-WAY STOP'. One of the criteria for the installation of a '3-WAY STOP' signs are the number of traffic incidents within the past twelve months at the intersections being considered.

In order for this office to make an informed recommendation, DPW requests from your office a listing of all traffic incidents at the above mentioned intersection, within the past twelve months. Any help you can give us would be greatly appreciated.

Should you have any questions or comments, please call me at 783-5102.
