MEMORANDUM

DATE: November 3, 2016

TO: Major Eddy Beckendorf
St. Charles Parish Sheriff's Office

FROM: Lawrence "Lee" Zeringue, PE *LZ*
Sr. Parish Engineer

RE: **Request for Traffic Incident Report
Lac Laurier Dr and Lac Verret Dr
Lac Catahoula Dr and Lac Calcasieu Dr**

On November 1, 2016 I received a citizen complaint about the configuration of the STOP signs at the two above mentioned intersection in the Ashton Subdivision. During the investigation it was determined that the intersections could indeed be signed in a manner that is a hazard to traffic. One item for review is the number of incidents within the past twelve months.

In order for this office to make the correct determination, DPW requests from your office a listing of all traffic incidents at the above mentioned intersections within the past twelve months. Any help you can give us would be greatly appreciated.

Should you have any questions or comments, please call me at 783-5102.
