Dear Resident:

I have been approached by several residents to propose an ordinance to reduce the speed limit from 25 miles per hour to 20 miles per hour in the Highland Oaks Subdivision of St. Rose. This proposed ordinance will affect many residents in the area; therefore, prior to presenting the proposed ordinance to the Parish Council for consideration, I am seeking feedback from the property owners/residents of Highland Oaks to determine the majority opinion of the residents as it pertains to this matter.

Your response is very important; therefore, please indicate whether you are IN favor of or NOT in favor of reducing the speed limit in the Highland Oaks Subdivision, in addition to completing the requested contact information on the portion provided below.

Please check one of the following statements and return the completed questionnaire to the Council Secretary via email to [mimpastato@stcharlesgov.net](mailto:mimpastato@stcharlesgov.net) no later than **April 10, 2020**.
