Re: Raise U.S. Highway 90 at the Paradis Canal

Dear

On Monday, February 4, 2013, the St. Charles Parish Council adopted Resolution No. 5973 supporting a request made to Senator Gary L. Smith, Jr., and Representative Gregory A. Miller to have the Louisiana Department of Transportation and Development to develop a project to raise Highway 90 approximately 3 feet at the Paradis Canal during the 2013 Legislative Session to allow the Sunset Drainage District to tie its levee into Highway 90 in order to eliminate the weakness in the District's hurricane protection system caused by having the low elevation of Highway 90 at this location.

A copy of the resolution is enclosed for your review and consideration.

Sincerely,

TIFFANY K. CLARK
COUNCIL SECRETARY
